HORIZONS!

FESTIVAL OF LIGHTS!

The most awesome time in the year, when the smallest of small dwelling has a lamp lit, to dispel darkness and bring hope. Two months of only celebrations! Ganesh Festival, Navratri of Garba, music, and colour! 5 days of Maa Durga! This must be the only culture that celebrates life so much. But we do not forget our ancestors. Between Anant Chaturdashi and Ghatasthapana, we have the Pitru Pandhrawda.

RCK does its little bit to share with the unfortunates. This year, we join hands with IWCK, with whom the Family-to-Family program is very popular. RCKians donations were used jointly with IWCK, to light the homes of Brick Workers.

But a big hand to both and a Thank you.

And despite torrential rains! Water logging and traffic snarls, Anns and Rotarians, came albeit late and tired, to let themselves be carried away on spirits and fun and games! CHALTE CHALTE

I cannot end my issue before mentioning, how our young, very senior Rotarian Col. Vipin and Sushma Kapoor, are examples of how to live life to the fullest! Bravo!

Travelled to Hua Hin Thailand, then UK, where they had a lively fascinating holiday, sight seeing and pubbing! Then back to Delhi, Manesar for a holiday, with their daughter!

EDITOR'S TWO BITS...

What a month! Full of projects and excellent Fellowship! Our President is keeping her promise to Work Hard and Play Hard. She even had a Project with Fellowship at her Farm!!!!! And the Diwali party was a blast! I know that various Directors and their Committees do lot of work, a big applause for them, first. But the President needs kudos for bringing all of it together. The rain has hindered many projects, many will now take off as we get dry spells. So folks a HAPPY DIWALI AND A PROSPEROUS NEW YEAR.

Regards from the team.

Bless you, be good!

Always in Rotary, Rtn. Seema
