Service Project Seminar at Royal Connaught Club of Poona

- Couple of Rotarians from Rotary Club of Belmondo attended the service project seminar which was held on 16th Oct, 2022.
- It was amazing to note the numbers and value of Service Projects being conducted by Rotary Clubs of our District 3131. Felt proud to see our parent club Rotary Club of Nigdi received so many awards for their contributions in service on various aspects. The best part of the seminar was to hear the chief guest at the seminar Mrs Lila Poonawala – her struggle in life. Got to learn about Lila Foundation and their contributions over the years for woman education and empowerment. So well spoken and so very inspiring. Highly impressive and commendable. Got an opportunity to thank her for their stupendous work towards the society.

Editor's Desk

I seem to be still learning, while I am happy to release the third E-Bulletin of our club. We are also working hard to improve the quality of content.

The month of October was very fruitful to our club as we completed our first service project 'E-Waste Drive' successfully.

Also in this month, we participated 'Diwali with Indian Army' project with our parent club Rotary Club of Nigdi. I would like to thank to those Rotarians who contributed for this project.

Please feel free to reach us with your suggestions to improve the data and content of this E-Bulletin.

Thank you.
