## **RC Nigdi celebrated World breastfeeding Week with a flurry of meaningful projects**

World Breastfeeding Week is celebrated every year across the world from August 1 – August 7. This global campaign aims to raise awareness about breastfeeding and its advantages. The 2022 theme for World Breastfeeding Week is Step up for Breastfeeding: Educate and Support

The Medical service team under the guidance of Director Rtn Dr Ravindra Kadam conducted various activities throughout the week. We have printed booklets and a set of 5 posters in Marathi with breastfeeding info

# **TEAM SERVICE (MEDICAL)**

On 1st August at DY Patil hospital, Pimpri, a talk by Dr Shailaja Mane and Dr Shubhangi Kothari was given to 25 new mothers, ending with distribution of breastfeeding booklet and nutritious ladoo. The beneficiaries also praised the work of the human milk bank which our club helped to set up during PP Dr Shubhangi's term as a global grant project.

A new mother narrated with tears in her eyes that she recently had premature twins who had to be put into the NICU and she was in ICU after delivery. Only because of the milk bank they have survived. And she is committed to donating any milk she can as her thanks.

At the milk donation camp 1850 ml of milk was collected.

Appreciation certificates were given to milk donor mothers. These have been sponsored by PP Dr Shubhangi Kothari.

## **TEAM SERVICE (MEDICAL)**

On the same day, at Shakun Clinic, Nigdi, Rtn Dr Ravindra Kadam, Dr Ranjana Kadam and Dr Shubhangi spoke on breastfeeding followed by distribution of booklets to 50 beneficiaries
