## ROTARY DESIGNATED MONTH - JULY - NEW LEADERSHIP

In Rotary, July is a time of new beginnings, a time to reconnect with each other across distances and differences and to respond to change, a time to Imagine Rotary Gives Opportunities to serve community.

July is designated New Leadership Month - each year Rotary Clubs and Districts across the globe induct new leaders. Our leaders exemplify all of the qualities that make our members extraordinary; integrity, expertise, and commitment to service.

As we reconnect, and respond, this is a time to reassess, to envision; it is most importantly a time to set goals and to determine how we will serve our Communities, our Nation and the World, seizing opportunities for service.
