## FROM THE DESK

**Gordon R. McNally**  
RI President

Even as we face new and serious challenges, Rotary takes care of its members and those we serve, works to build lasting peace, and embeds belonging and inclusion in everything we do. That is why I am asking everyone in Rotary to Create Hope in the World. This year, we're prioritizing projects to support mental health. I have also witnessed the power of personal connections, the value of discussing emotional and mental well-being, and the lifesaving impact of preventive care and treatment. Many of our service projects foster the conditions for Positive Peace. We work tirelessly to overcome barriers and create new connections.

This year, we'll promote virtual international exchanges for members to strengthen those vital connections. Peace isn't a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. The spirit of connection and purpose should inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members and attract more prospective members.

Our goal is to create a sense of belonging, and continue creating inclusive, welcoming environments where everyone can be their authentic selves. Over the next year, I will be putting a focus on continuing our journey in diversity, equity, and inclusion ensuring that Rotary reflects the communities we serve and continues to take significant steps toward accessing the full range of human talents and experiences, so that we can better serve humanity. And we will continue to empower women and girls by helping them unlock the potential already within them. As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting "sense and worth, over all the earth." Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and Create Hope in the World.

## FROM THE DESK

**Manjoo Phadke**  
D.G 2023-24

It is an honor to lead this incredible Rotary District 3131 filled with passionate individuals committed to creating a positive impact in our communities and beyond. Rotary International President R. Gordon R. McNally has set the theme for this year as "Create Hope in the World," and we wholeheartedly embrace this powerful call to action. In a world that often faces challenges and uncertainties, we believe that Rotary has the potential to inspire hope and be a beacon of light for those in need.

Our primary focus for the year will be on fostering hope through service, engagement, and collaboration. We firmly believe that by coming together as Rotarians, we can create a ripple effect of positive change, transforming lives & communities. We will encourage our clubs to embark on impactful service projects like 1000 pediatric heart surgeries, one lakh aerators for taps and save water, green society, and 1000 bore well recharge. Through these projects, we will not only provide immediate relief but also create sustainable solutions that pave the way for a brighter future.

Manjoo Phadke Engagement will be a key driver in our district. We will strive to engage our members, inspire their passion for service, and create an environment that fosters personal and professional growth. By nurturing strong Rotary clubs and fostering collaboration among our members, we will amplify our collective impact and multiply the hope we bring to the world. We also recognize the importance of embracing new technologies and digital platforms to expand our reach and enhance our communication. By leveraging these tools effectively, we can connect with a broader audience, inspire a new generation of leaders, and create a lasting legacy.

Friends, let us work together, let us embark on this journey to create hope in the world. I am sure we can make a significant impact and create a world filled with hope, love, and compassion. Thank you for your unwavering support and commitment to Rotary!

President 2023-24

I am proud to be a Rotarian! I am most honored and humbled to be elected President of the Rotary Club of Talegaon M.I.D.C 2023-24 and with the help and support of my Board members and fellow Club members, I will do my best to meet the challenge. Our club has been built on a strong leadership foundation, and I am fortunate to have a membership that is fully committed to the Rotary ideal of Service Above Self, and continues to go the extra mile in building the club, and carrying out the many worthwhile projects that we undertake for the benefit of our community. Let me take this opportunity to congratulate Immediate Past President Vincent Saler and his Board for a very successful year.

I would like to congratulate each of the new Board members. Our fellow club members have shown their confidence in me by electing as President. Our President of Rotary International, *Gordon R. McNally*, selected the theme "Create hope in the world" for the 2023-24 Rotary year. In doing so, I'm sure he had in mind the shared commitment of every Rotarian to provide "Service Above Self." Our focus for the year will include Membership Development and Retention.. Projects and Fundraisers. The Rotary Foundation. The Family of Rotary. Disaster Management and Leadership. Youth Programs. Health and Education.

There are many needy people throughout our community and the world whose only hope will come from Rotary. Let us all leave here ready to make their lives better in any way that we can. Let us lead the way as Rotary shares its legacy of "Service Above Self". I look forward to serving.

**Gouri Patil**

Editor 2023-24

As a new Rotary year begins, and one set of leaders at the club, district, zone and international levels – steps down to give way to the next set of Rotarians, as they turn their eye, with great expectations and aspirations towards the new leaders.

Leadership comes in a variety of hues and contours... some leaders lead from the front, put their boots on the ground and hands in the mud and the flock follows suit. Others are content to provide the direction and allow their team members to execute the work – community service projects, programmes, image-building events, etc. They kickstart the work and then take a backseat, but are always available when needed to step in. This is like planting several saplings and providing the right nourishment (nurturing) to the plants to grow and blossom. Such leadership creates the next crop of leaders.

Let's look at the positive; look around and you will see the difference a good leader has made to your club. The unique thing about such leaders is that even though their year might have ended, their leadership and drive never do. That is exactly why some continue to do dramatic work and impressive projects well beyond their year at the district's helm, while others fade into oblivion. Identify the first category of leaders, stand with them, lend a helping hand, one day at a time, and then see the impact you create in transforming lives around you. Bringing smiles and hope to those who do not have any, is no mean task. Only the very fortunate ones get that opportunity. So if you have been given a leadership role, or have the opportunity to be a part of your club, make full use of every moment of the year that is unfolding before you... to serve your communities, help those less privileged than you, ignite minds and make a difference.

Well begun is half done... so here's a toast to new beginnings.

जगण्याची तीव्र होत असलेली लढाई, आक्रसत असलेला भवताल, अस्तित्वाचे अनेक प्रश्न, जागतिक युद्धजन्य परिस्थिती, स्वामित्वाच्या जाणिवेतून इतरांवर होणारे अन्याय अत्याचार, फोफावणारा दहशतवाद, भडक झालेल्या धार्मिक आणि जातीय अस्मिता, जागतिक तापमानवाद अशा अनेक समस्यांमध्ये जागतिक पातळीवर संपूर्ण मानवसमाज होरपळून निघत आहे. वयस्की व्यक्तींमधील सुसंवाद हरवत चाललाय आणि जगणं अधिक शुष्क होतंय की काय अशी परिस्थिती निर्माण झालेली दिसते अशा वेळी या सर्वांवर उत्तरे शोधण्यासाठी पुढाकार घेणे गरजेचे वाटते आणि हे पुढाकार घेण्याचे मोठे काम गेली अनेक वर्षे 'रोटरी इंटरनॅशनल' ही संस्था जागतिक पातळीवर करते आहे. दरवर्षी एक नवा सामाजिक संदेश घेऊन रोटरी आपल्या कामात नाविन्यपूर्ण सृजनता आणते. जगातील कित्येक नागरिक यामुळे नक्कीच प्रेरित होतात. यंदाच्या वर्षांही 'रोटरी'ने 'Create hope in the world' हा अनोखा विचार जगापुढे मांडून आपले अव्याहत काम सुरू ठेवले आहे. आपण चर्चा केलेल्या अनेक प्रश्नांवर 'आशा' हे उत्तर आहे आणि याच सकारात्मक जाणिवेतून रोटरी ने हा मौलिक संदेश जगभर पोहोचवून एकंदरीत जगातच आशावाद निर्माण केला आहे.

कविवर्य ग. दि. माडगूळकर म्हणतात की, 'दैवजात दुःखे भरता दोष ना कुणाचा, पराधीन आहे जगती पुत्र मानवाचा' अशी आपली अवस्था आहे. आज आपण प्रगतीपथावर आहोत असे जरी म्हणत असलो तरी जगातील अनेक राष्ट्रे आज कुपोषण, दारिद्र्य,

महागाई, दुर्धर आजार अशा अनेक समस्यांनी ग्रस्त आहेत. अनेक ठिकाणी स्वच्छ आणि मुबलक पाणीही मिळत नाही, आजही अनेक भागात वीज पोहोचलेली नाही, योग्य औषधोपचाराच्या सोयी मिळत नाहीत. अत्यंत हलाकीत जीवन कंठीत करणाऱ्या अनेक लोकांमध्ये आपल्याला जगण्याची नवी आशा निर्माण करायची आहे. हे जीवन सुंदर आहे आणि तेही या सुंदर जगण्याचे तितकेच समान हक्कदार आहेत हे त्यांना आपल्याला सांगायचे आहे. यासाठीच 'रोटरी इंटरनॅशनल'ने या सामाजिक युद्धासाठी 'आशा' हे नवे शस्त्र आपल्या सर्वांच्या हाती दिले आहे.

निसर्गाने निर्माण केलेला आपला मानवी देह अनेक गुण वैशिष्ट्यांनी भरलेला आहे. इवल्याशा डोळ्यांमध्ये सुंदर जग साठविण्याची क्षमता असते. आपले मन कितीतरी भावभावनांचे आविष्कार क्षणाक्षणाला करीत असते ही अद्वितीय गोष्ट म्हाणावी लागेल. आपण प्रत्येक जण जगण्याची धडपड करीत असतो. आपली जीवनेच्छा हीच आपल्या जगण्याची व्याख्या ठरते. इच्छा, आकांक्षांच्या द्वंद्वतच आशेंचा जन्म होतो. इच्छांमधून निर्माण होणारी आशा आपल्या जगण्याचा पाया ठरते. मानवी जगणं म्हणजे अपेक्षांच्या गर्भातून प्रसूत होणाऱ्या नानाविध आशांच्या इंद्रधनुषी मानमोहकतेचं प्रतिबिंबच होय. मानवी अस्तित्व आकाराला आल्यापासून आजपर्यंत प्रत्येक भौतिक, बौद्धिक, वैचारिक, नैसर्गिक स्थित्यंतरात मानवप्राणी तग धरून राहिला तो केवळ आशेंच्या बाळावरच. आशा आणि सकारात्मकता या दोहोंना कवेत घेऊन 'रोटरी'चा हा विचार आपल्याला रुजवायचा आहे आणि त्यासाठी आपण सर्वच कटीबद्ध आहोत.
