## MESSAGE FROM PRESIDENT

Dear Esteemed Rotary Club Members,

We recently celebrated 119<sup>th</sup> Birthday of Rotary. Many congratulations to all of you. As we reflect upon the successful completion of 8 months under my presidency, I am overjoyed to highlight the remarkable unity and engagement demonstrated by our RCPE Pariwar. Our Friday meetings, filled with a variety of enriching activities, have played a pivotal role in nurturing and developing friendship.

In addition to our regular gatherings, the fantastic assimilation of club members was particularly evident during special events such as annual Trip to Cordelia Cruises, Conference Promotion, Confluence 2024, etc. Celebrating the 75<sup>th</sup> birthdays of our parents showcased the deep-rooted values of family within our club. The spirit of Friendship Day, the vibrant festivities of Sarasbaug Ganapati and Mahalaxmi, and the enlightening Dadawadi Darshan and darshan at Swami Narayan Mandir further strengthened the bonds of fellowship among us.

Moreover, our commitment to service was exemplified through various projects. The distribution of more than 590 + Happy Family kits brought joy and support to those in need. The eye check-up camp demonstrated our dedication to community health, and the Rotary Youth Leadership Awards (RYLA) for the specially-abled and many more such projects underscored our commitment to inclusivity.

As we move forward, let's carry forward this spirit of unity and service, ensuring that our Rotary journey continues to make a positive impact on the lives of those around us.

Best regards,

**Rtn. Sahil Vijay Shaha**

## MESSAGE FROM SECRETARY

It is with great pleasure that I am writing this today. It's been 8 months and it passed so quickly. We have done so many different projects, and meetings and able to create a significant impact in the community. In total, we had 28 weekly meetings. We have covered a variety of subjects in this.

This year we also made sure to take blessings of God by having various visits to divine temples on different occasions. We have done some unique programs this year like felicitation of Senior Citizens, friendship day celebration, RCPE got Talent Show, Diwali, Bhondla, Club Day, Dandia. Cordelia Cruize became the memory of a lifetime for our members and a trip to Mahabaleshwar was also so refreshing. Our flagship project, "Happy Family Kit" created a significant impact and added so much happiness to the lives of the unprivileged sector. Along with that other projects like the donation of sewing machines, benches, and boards in different schools gave a lot of support to schools. We distributed 400 kits at Ale Phata. We donated 590 kits in various villages. Blood donation camps were conducted. Under RYLA for Divyazep Rotaract Club of SP College various useful activities were conducted and it helped Divyang students immensely.

Total 16 projects are done till now and as we move into the remaining part of the year, let us continue to uphold the Rotary values and work together towards making a lasting impact on our community.
