From The President's Desk

Dear Rotarians and R'Anns,

As I reflect on my first four months as President of the Rotary Club of Pune Central, I cannot help but be filled with gratitude and admiration for each one of you. The energy, enthusiasm, and commitment I see from every Rotarian and R'Ann are truly inspiring. It is clear to me that RCPC is a unique and special club — a club whose members know how to come together to make a meaningful impact. Your collective spirit is what makes our work so impactful, and for that, I thank you all.

As I mentioned in last week's message, November is Rotary Foundation Month, an incredibly important time for us as Rotarians. Yet, I know that many of us may not fully understand what the Rotary Foundation is or why it is so critical to our work. The Foundation is far more than just a fund for charitable donations — it is the engine that powers our global projects and enables us to make lasting change in the world. On Saturday 23 November, Rtn. Vipen Malhotra, Director of RCPC's Rotary Foundation, and his Sub group have organized an insightful program with esteemed speakers who will help us better understand the Foundation's impact and significance. I strongly encourage every one of you to mark your calendars and attend this important session. I am confident that after the program, we will all feel even more empowered and motivated as Rotarians of RCPC, knowing how our contributions can change lives.

Tonight, we also have an important event — the Nominating Committee elections which will take place with physical voting. This elected nominating committee will play a vital role in helping the President Elect Rtn Lekha Nair to select the Board of Directors for the Rotary year 2025-26. As the counting is in progress, let us also take the opportunity to have a short brain storming session to reflect and discuss on how we can continue to evolve and grow as a Club. Change is a constant, and it is essential that we embrace it to remain dynamic and effective in our mission.

Let us continue to work together, learn from one another, and drive positive change. I look forward to seeing you at our upcoming events and to our continued success as a Club.

Warm regards,

Rtn Brigadier PK Muralidharan Raja
President RY 2024-25

The Week That Was

(From Rtn. Sagar Khandelwal)

Our latest session brought together the RCPC family for an evening filled with service, generosity, and camaraderie. President Brig. PKM Raja opened the meeting by leading us in the National Anthem and extended a warm welcome to all.

The "Salute to the Spirit of Giving" segment followed, honoring the generosity of Rtn. Yogesh Shah, Rtn. PP Madhu Rathi, Ms. Dolly Desai, Rtn. Oni Kakajiwala, and Rtn. Sanjiv Agarwal. These contributions are the backbone of our projects, enabling us to drive impactful initiatives within the community.

We celebrated with warm wishes Birthdays of Rtn. Pres. Brig. PKM Raja, Rtn. Arun Jindal, Rtn. PP Dr. Ramesh Dumbre, Rtn. Dr. Ashok Bhave, R'Ann Sweety Kalra, and R'Ann Beena Shroff. Here's to a year filled with joy and accomplishments for each of them!

Among the project highlights was the success of the District Project - Chatrachaya, which provided umbrellas to street vendors, allowing them to continue their work despite challenging weather conditions. Rtn. Rakesh Makhija, Rtn. Nitin Rajore, and Rtn. PP Ajay Dubey led the way with their generous support, making a difference in the lives of local vendors.

Another impactful moment was the distribution of spectacles to students and staff at schools near St. Patrick Church and Netaji Subhashchandra Bose School. It's inspiring to see how small gestures, like the gift of clear vision, can have a profound impact on lives.

Our visit to Ghorpadi village highlighted the importance of sustainable community support, with RCPC initiating improvements in primary schools, anganwadis, and facilities for children with special needs. This visit laid the

50 Things Every Rotarian Should Know About Rotary

(Inputs from Rtn. PP Suhas Merchant)

16 - TOLERANCE OF DIFFERENCES

Occasionally there is a temptation to criticize the laws, customs and traditions of another country which may seem strange or contrary to our own. In some instances, illegal practices or customs of one nation are completely lawful and acceptable in another.

As members of an international organization dedicated to world understanding and peace, it behooves Rotarians to exercise restraint in judging our Rotary friends and citizens from other countries when their behavior seems unusual to us. A Rotary policy has existed for more than half a century relating to this dilemma of international relationships.

The statement, adopted in 1933, says that because it is recognized that some activities and local customs may be legal and customary in some countries and not in others, Rotarians should be guided by this admonition of tolerance:

"Rotarians in all countries should recognize these facts and there should be a thoughtful avoidance of criticism of the laws and customs of one country by the Rotarians of another country." The policy also cautions against "any effort on the part of Rotarians of one country to interfere with the laws or customs of another country."

As we strive to strengthen the bonds of understanding, goodwill and friendship, these policies still provide good advice and guidance.

HAPPY HAPPY JOY JOY!

Joy is a profound emotion enriching our lives with delight, happiness and contentment. It manifests as fleeting moments of happiness from everyday pleasures or deep fulfillment from meaningful relationships, achievements and personal growth. Spiritual joy connects us to something greater, transcending life's challenges.

Sources of joy abound: serenity, awe and beauty in nature; love, support and connection in relationships; achievements, learning and self-improvement in personal growth; expression, imagination and innovation in creativity; and gratitude for life's simple pleasures.

Cultivating joy requires mindfulness, self-care, positive thinking, connection and purpose. Mindfulness grounds us in the present, while self-care nurtures physical, emotional and mental well-being. Focusing on the good, building strong relationships and pursuing meaningful goals also foster joy.

The benefits are transformative: improved mental health reduces stress, anxiety and depression; physical well-being boosts immunity and energy; resilience enhances coping; deeper connections and empathy enrich relationships; and inspiration sparks creativity and motivation.
