

Donation of Computers at Shree Dada Maharaj Natekar School

Project Details

Start Date :18 Dec 2023

End Date : 22 Jun 2024

Project Description

Rotary and Rotaract club of Pimpri collaborated to donate computers, establishing a state-of-the-art computer lab at Dada Maharaj Natekar School in Chikhali. This initiative aims to enhance educational opportunities by providing access to modern technology, empowering students with valuable digital skills for their future

Celebrating Doctors day and world C.A. day

Date : 01st July 2024

Project Description :

On 1st July world Doctors day and world CA day .

We felicitated Dr Vijay Satav and C.A. Kishore Jadhav. Celebrating Doctors and Chartered Accountants is a wonderful recognition of their invaluable contributions to society. Typically, these celebrations involve acknowledging their expertise, dedication, and impact on individuals and the economy. Activities may include seminars, award ceremonies, and community outreach events to honor their significant roles in healthcare and financial sectors respectively. It's a great way to show appreciation for their hard work and commitment to their professions.
