RTN. Manish Pharande
PRESIDENT

RTN. Sunny Solanki
SECRETARY

Rtn. Abhijeet Shinde
EDITOR | rcpimpri2021@gmail.com

Dear fellow Rotary leaders: As we begin a new year of service, let us not forget the importance of every one of Rotary's members. You have been handed the reins of club and district leadership at an historic moment. Rotary has a chance to capture the world's attention and

realize possibilities beyond our expectations. But we must build on the work that has come before us if we are to reach our goals, such as defeating polio and empowering girls and women. Rotary offers people of action a chance to connect and find belonging, and this fellowship gives us hope that we can create lasting change. But in the wake of the COVID-19 pandemic, more people than ever feel hopeless.

Many have lost people close to them. Social networks have been uprooted and divisions have grown wider as opportunities for connection have been lost. To make matters worse, in many parts of the world, asking for help — especially in the realm of mental health — is considered a weakness. But nothing could be further from the truth. It is brave to be vulnerable and to admit you don't have all the answers. Reaching out for help is courageous — and continuing on a path towards wellness is even more so. Join me in making Rotary a source of strength for all of those who feel they have lost hope, within and beyond our membership. Let this be the year we Create Hope in the World, and let Rotary be known as an organization that takes care, not only of its members but of the people we serve as well. It is within your power to help bring peace and soothe those afflicted by conflict, both in their communities and in themselves. Remember that your work can and will Create Hope in the World.

R. Gordon R. McNally
President, Rotary International
2023-24

My Dear Fellow Rotarians,
At the outset, let me thank you for allowing me to pen down my thoughts for your club's bulletin.

Friends, as we step into the Rotary Year 2023-24, it is vital for us to reflect upon the power of hope and its ability to transform lives. Hope fuels dreams, inspires action, and ignites change. We are people of action, and behind that action is care, compassion, empathy, and inclusion. We are most comfortable and satisfied when we are fully engaged in helping the humanity. Through interesting

meetings, impactful projects, engaging activities and the dedication of us all, we will continue to be a beacon of hope, fostering positive change and transforming communities across the globe.

I am sure your club must have planned projects and engagements that are in tune with our organization's core values, Vision and Mission as well as with our district's thrust areas. Strike an ideal balance between continuity and innovation.

By focusing on pediatric cardiac surgeries, providing lifesaving surgeries to children suffering from congenital heart diseases, we shall create hope not only for the children but also for their families and communities.

By implementing innovative techniques of bore well recharge, we aim to replenish underground water sources, ensuring a continuous water supply. This initiative fosters hope for a sustainable and water-secure future.

By promoting sustainable practices such as waste management, renewable energy adoption, green cover, upcycling etc. at surrounding residential societies, we will inspire people to take action and protect our precious natural resources.

As part of its commitment to environmental sustainability, RID 3131 introduces Rotary Green Friday, a global call to action. This initiative encourages each one to dedicate every Friday to activities such as avoiding use of AC, Reduce use of Tissue papers, using motion sensors for lights in common areas etc. By uniting individuals across the world under a common cause, Rotary Green Friday ignites hope for a greener and more sustainable future, one action at a time. Attracting members and engaging them meaningfully must form the core of our activities at club level. Clubs need to majorly focus on organic and sustainable growth, add young hands and nurture both, old and new members to make their Rotary Journey even more enjoyable.

Talking about the bigger dreams and bolder projects, let's not forget our biggest financier, The Rotary Foundation. Let's remember that most of our bigger projects have been made possible due to funding from TRF through Global Grants. Let's not forget the potential of TRF and let's also not shy away or doubt the value of contributions Rotarians make to TRF. I urge all of you to contribute generously to The Rotary Foundation which will go a long way in rehabilitating people and creating hope for them.

Together, we can make a difference and create a world filled with hope, compassion and sustainable progress.

Vishwas joins me in wishing each one of you a very happening and successful year 2023-24 that is full of actions to "Create Hope in the World" and memories for a lifetime.

Rtn. Manjoo Phadke
District Governor
RID 3131 – 2023-24

Holding the baton as the President of such a prestigious and vibrant club is a matter of pride and honour to me. This year RIY 23-24 will be filled with a lot of zeal and enthusiasm and community service projects which will create hope in

society last year 22-23 was indeed a memorable one and I would like to congratulate IPDG Rotarian Dr Anil Parmar and IPP Rotarian Sanjay Pradhan For having completed their tenure successfully. I also take this opportunity to congratulate our DG Rotarian Manjoo Phadke for being elected and we look forward for a very eventful and happening year ahead. This year We plan to focus more on district thrust areas with planing of global grants on paediatric cardiac surgeries. We will have other major projects in environment and vocational avenues. We intend to continue with our flagship projects of happy village and Nanhe Kadam, which is collection of old cycles repairing them and distributing amongst needy school children and many more. As it is rightly said that 'all work and no play will make you dull and grey' so this year will also be filled with a lot of entertainment programmes like box cricket, Dandiya night, and few other ideas out of the box, I assure you that this year will be a memorable one with all your blessings ans support. Thank you

Rtn. Dr. Manish Pharande
Incoming President (2023-24)

Rotary
