E-LEARNING - ROTARY KI SMART PATHSHALA

Date : 06-09-2024

The Rotary Club of Talegaon MIDC organized a significant project under its Basic Education & Literacy initiative by donating 5 computers to a Zilla Parishad (Z.P.) school. This project aimed to enhance the school's E-learning infrastructure, providing students with access to digital education tools and resources. Led by Club President Milind Shelar, the initiative focused on empowering rural students by bridging the digital divide and promoting modern educational methods. The donated computers will enable students to improve their computer literacy, access a broader range of educational content, and engage in interactive learning. This project highlights the Rotary Club's commitment to fostering educational development and creating a more inclusive learning environment for underprivileged students.

ADULT LITERACY, FINANCIAL LITERACY, CYBER SECURITY (Rotary Ki Smart Pathshala)

Date : 06-09-2024

The Rotary Club of Talegaon MIDC, as part of its Basic Education & Literacy initiative, organized a comprehensive project focusing on Adult Literacy, Financial Literacy, and Cyber Security Awareness. This initiative was designed to empower adults, especially from underprivileged backgrounds, by providing them with essential skills to navigate today's digital and financial landscapes. Under the leadership of Club President Milind Shelar, the program included: 1. Adult Literacy 2. Financial Literacy : Participants were educated on managing personal finances, budgeting, savings, and understanding banking services, including the use of digital payments. 3. Cyber Security Awareness : The project also focused on raising awareness about online safety, protecting personal data, and recognizing cyber threats such as fraud and phishing. The project aimed to create a more self-reliant and informed community, equipping individuals with skills that are crucial in the digital age. This effort underscores the Rotary Club's commitment to fostering literacy and promoting financial and cyber security awareness for the betterment of society.
