Issue No.: 01

Date: 1 July 2022

RI PRESIDENT JENNFIER JONE'S MESSAGE :

Dear fellow Rotary leaders:

As we embark on a new year of service, let us take the opportunity to reflect upon the gift of our membership in Rotary.

As club and district leaders, you have such an important role to play. You can do so much to help create club experiences that are welcoming, inclusive and enjoyable for each and every member – and you can extend that same warmth and belonging to every participant who wishes to engage with our clubs.

Over and over our surveys find that member comfort and care is the single greatest driver of member satisfaction and our most powerful tool in driving members retention. So, we need to put a special emphasis on membership care and belonging. And that work begins with listening. We need to understand why our members took the big leap and joined us – and we need to know what they expect from us. What do they want out of their Rotary involvement and what we can do to help them get more out of their Rotary experience?

We all feel the impact that Rotary service and Rotary values have on us... now it's our opportunity to share that feeling with others. This is a year to Imagine Rotary by envisioning a world that deserves our best, where we get up each day knowing we can make a difference. We don't imagine yesterday, we imagine tomorrow.

We imagine a world without polio, with clean water for everyone. We imagine a world free of disease and where every child learns to read. We imagine kindness, hope, love, and peace.

Each of you has assumed important responsibilities as a member of Rotary and I thank you for your hard work. You have made a commitment to help grow Rotary, to adapt to the digital future and to make Rotary more appealing to future generations.

Your good work will help us serve our communities and help Rotary thrive so we can Imagine Rotary.

Jennifer Jones

President, Rotary International 2022-23

DG Dr. ANIL PARMAR'S MESSAGE

Dear Friends,
Heartiest Congratulations & a very warm welcome to a new and expectant RY 22-23. Covid Pandemic had not only impacted our personal lives but our Rotary as well. We have recuperated from it and as it's always said, 'Create challenges into opportunities', very

effectively we supported the community in many ways by doing many Global Grant projects. I would like to compliment each one of you, for putting in all your efforts in the hour of crisis and making a huge difference in the lives of people.

I must say that we were very fortunate to host all the events/training sessions physically and had an overwhelming response for the same. I want to thank all the club leaders and their teams for joining in large

numbers and supporting us.

RY 22-23 is going to be a Historic year! For the first time in the History of Rotary International, we will be having a Lady as an RI President!

RI President Jennifer Jones will be leading our esteemed Organisation. It is going to be a great year and as a tribute to her leadership & also respect to Women Power, we have to put our best foot forward and work towards increase in Lady Members in our district. RI President Jennifer Jones has given this thought provoking theme "Imagine Rotary" and if we actually start imagining Rotary and the opportunities it gives us to serve the community, so many wonderful ideas, themes can be thought of & manifested too. She has also promoted the wonderful concept of Diversity, Equity and Inclusion. This describes policies and programs that promote the representation and participation of different groups of individuals, including people of different ages, races and ethnicities, abilities and disabilities, genders, religions, cultures and sexual orientations.

We all have joined Rotary because someone had invited us to be a part of this wonderful organisation. Now, it is the moral responsibility of each one of us, to invite at least one member to our club, motivate and engage them in

our activities so that they are assimilated well.

We are DOING GOOD IN THE WORLD through The Rotary Foundation and I am glad that our District has a strong Participation in Rotary Foundation Programs. We have consistently been amongst the Top 10 Contributing Districts of the World and our Participation in Global Grants is extraordinary. New norms for Global Grants has made it further essential that we contribute more and more to TRF so that we can do Bigger, Better, Bolder and Long-term Impact Creating Sustainable Projects through Global Grants. We also need to request & motivate our Non-Rotarian friends to contribute to TRF as this will help us to serve our Community in a better way and also will give them an opportunity to know Rotary & feel blessed by doing their bit for the community at large.

Let's work together towards the betterment of the society & achieve the PINNACLE of Success for our Clubs and RID 3131. DELIVER HAPPINESS, SPREAD SMILES & ENJOY ROTARY by IMAGINING Rotary & fulfilling OUR dreams FOR the community.

Remember "TOGETHER WE CAN AND TOGETHER WE WILL".

Dr. Anil Parmar

District Governor, RY 2022-23

PRESIDENT'S MESSAGE :

Warm Rotary Greetings.....

It definitely feels different to give a speech as the president of the club. Our beloved club is now 12 years old and has seen 12 different

presidents who have left behind a very glorious path to walk on and to strive to achieve more than what we did in the previous years, every president adding something to our club in his/her year making our club recognisable.

When Covid 19 hit our country, it was most challenging situation for everyone and that time, the work done by Jayatai is so inspirational, completing more projects than her age and doing so many projects in sync with district and other clubs, but also it gives pressure on incoming presidents. We definitely do not compete with other clubs and their work, but even competing with our own

club, the big line drawn by the PPs towers over the incoming presidents in order to complete the goals and to surpass the same.

In the current year, we got many gems as members and Bhishi as well as our District Conference hosting built the friendship and knit the bonds tighter between ourselves becoming one big happy family.

I definitely am one of the youngest presidents of our district and youngest of our club. But being young has some advantages. Our CP, our PPs and Charter members are very much supportive and caring which gave me tremendous hopes of having a successful and fun filled year.

With the theme Imagine Rotary from our RI president and message from DG Anil "DELIVER HAPPINESS, SPREAD SMILES & ENJOY ROTARY" we will do impact making

projects and our CP and PPs and our project directors have various innovative ideas for such projects and we will definitely try to achieve those. More importantly the focus is all the members will enjoy Rotary, meetings, projects etc. making our family very strong and close knit with adding the quality like minded members to our club.

We will do projects of all the seven avenues with our enthusiastic project director - service as well as medical. So also it will be a goal to increase the membership and to get quality members to our club, like minded and sustaining. On the foundation front, I myself donate 100\$ every month and like last year, we will reach our target of

giving maximum to APF as well as for polio. We will give our maximum to the society, at the same time not forgetting the members and having fun-filled activities for our members.

The structure of weekly meetings is also changed and we will have different venues and various outside visits and meetings with delicious fellowship. Our BOD is very efficient and with the support of all of you, let's make this 2022-2023 a memorable as well as fun filled year.

Adv. Bhushan Kulkarni
President, RY 2022-23

FROM THE REAR-VIEW MIRROR:

On the onset of our year 21-22 , i wish to rewind and look back towards the year gone by.

I was indeed a very satisfying year for me on various yardsticks such as :

Highest foundation giving year so far, we could contribute about 40000 \$ this year.

Very good membership growth along with launch of new club called Nanded city.

Two big projects initiated , out of which Happy village is completed in record time with the help of CSR funding .The project cost is in excess of 2000000/- Global grant heart surgery project is approved , Beni fishery identified and we can start it once the foreign funds are credited , which can happen any time now. We will be doing 41 heart surgeries of below poverty line children. The project cost is 42500\$

This year our club was also seen as DGs club and naturally it gave lot of responsibilities and challenges to perform better during this year. I am happy to say we as a team performed much better and proved once again that we can make wonders as a team.

This year started with Seed and fertilisers distribution followed by Tree plantation , School equipment's donation to Shiv chatrapati school at Patan , Donation for Flood relief in Raigad , Food kit distribution at Kamayani school , E waste collection at Sahakarnagar in

association with swatch , 2 days workshop for woman empowerment training at bhor , Ganapati idol making training which gave us highest PR across india and abroad , We also did felicitation of covid warriors and soldiers .We also felicitated women achievers in their carriers .

We did many synergy meetings with various clubs which helped us in networking.

In this year we did focuses on assimilation with new members , which worked very well in bonding with them.

We also connected well with our Rotract clubs and involved them in many club projects and club meetings.

We also got various district awards this year.

And last but not the least , we hosted the most talked about and the most successful District conference this year under the governorship of DG Pankaj. The credit must go to each and every one of us for making it a mega success.

In all i must saay it was the most satisfying year for me and all of us , we did fantastic team work which made this year memorable in spite of limitations of limited physical meeting in the first half of this year.

My sincere thanks to team Sarusbaug for unconditional support, which made us what we are today.

RECIPE

Jamun Icecream

Every season we get bounty of fruits and vegetables and now is the season for Jamun. Everyone had Jamun shots, but Jamun Icecream is available at very few places and that to we don't know which ingredients are used in it. So here is the easiest recipe of Jamun icecream that everyone can make -

Ingredients -Jamun - whole - 400 grams Sugar - 3/4 Cup (depending on sweetness of Jamun, it can be adjusted) Whipping cream - 200 ml (dairy or non-dairy)

Recipe - First remove the flesh of Jamun and discard the seeds. Do not throw the skin of Jamun as that is going to give awesome colour. No need to cut it into smaller pieces. Then on the gas, place one saucepan and add the sugar and Jamun and cook for about 8-10 minutes, till the mixture thickens. Let that cool down naturally and then keep in the fridge for 1 hour. Thereafter whip the cream to soft peaks. Add the cold Jamun paste to whipped cream mixture. (Reserve three spoons for garnish) fold in the Jamun paste with the whipped cream gently. Now pour the mixture into airtight container and level the top. Add the 2-3 spoons paste on the top and swirl with knife or toothpick to create the swirly pattern and freeze overnight in airtight container. Next day jamun icecream is ready to enjoy.

CALENDAR FOR RY 22-23 FIRST QUARTER

JULY

Friday 1st July : Installation
Friday 8th July : Speaker meeting - Rtn. Ujjwala Barve
