Private Wealth. uncomplicated

Started in 2022 as a platform to raise funds for Women's Empowerment through music for Charity, RCPC Rocks - II is the second such event in succession. The project this year is 'She Can and She Will', where 8 talented girls between the ages of 12 and 17, from economically challenged backgrounds, with a fundamental skill set in boxing will undergo a year-round training in boxing along with mentorship for leadership, financial literacy and communication skills to hopefully bring up more Mary Koms in India!

RCPC has invited Mr Hasit Nanda, a piano maestro whose talent transcends the ordinary. With an incredible YouTube following of 264,000 and a staggering 36 million views, Hasit has redefined the essence of piano music in the digital age. At just 29, Hasit has made a mark in the music world as a captivating performer, accomplished content creator, and passionate teacher. Hasit's venture into Pop EDM has earned him international acclaim, featuring in the Ultra Music Festival after-movie and electrifying performances at Tomorrowland Unite and World's Biggest Guest List festivals. With over 500 uploads, Hasit's digital footprint is colossal, enriching lives with virtuosic piano solos. Beyond the limelight, he dedicates himself to mentoring the next generation of musicians globally.

RCPC welcomes Mr Rohit Patwardhan, a saxophone maestro, whose mastery of the saxophone will leave you mesmerised by Jazz, popular Western and Bollywood music. Rohit's performances blend precision and passion, standing out in saxophone virtuosity. Starting public performances at the age of 7 with vocals and harmonium, by 10, Rohit had mastered all genres on the guitar. Fascinated by the saxophone's unique sound, in 2007 he mastered it after classical guitar.

RCPC is delighted to also invite Mr Krishna Chauhan, an accomplished flamenco guitarist. Krishna studied at the Shanti Niketan, West Bengal and has been playing the flamenco guitar for the last 12 years. Having performed with diverse communities from Rajasthan, Bengal, Himachal and Nepal that conserve their rich folk music, Krishna's idea of music can best be summarised as Gypsy — an earthy folk music.

RCPC takes pleasure in inviting all its members and their spouses to the Music Charity Concert on Saturday, March 16, 2024 at Mazda Hall (opposite Ladies Club) at 6:30 p.m. Entry for RCPC Members and spouses is free (entry passes available at Mazda Hall). You are also welcome to bring along a guest — Gajanan will be happy to arrange for an entry pass.

RCPC Rocks - II has been conceived, organised, and compered by Rtn. Vipen Malhotra, a budding pianist, music enthusiast, and a long-time member of the Rotary Club of Pune Central.

Rtn. DG Manjoo Phadke has kindly consented to grace the event as the Chief Guest.

Concert timings are 6:30 p.m. to 8:45 p.m. All are requested to be seated by 6:15 p.m. Snacks, tea, and coffee will be complimentary for all RCPC members and their spouses.

Anand Rathi Wealth Ltd has come forward as an anchor donor for RCPC Rocks - II and will also make a presentation during the concert.

Looking forward to your presence and to a rare opportunity to witness exceptional recitals at a **popular Bollywood, Western and Jazz Instrumental music evening!**

For members' convenience, valet parking will be available on arrival.

From the President's desk

An action-packed week has gone by, and there's lots of action to look forward to! After an absorbing talk by Abhijit Dhondphale, the Master Sculptor, about his sculpture and techniques on Saturday, it was an early beginning on Sunday. The Wheelchair Cricket Match between the Maharashtra and Mumbai Wheelchair teams took place at the Poona Club Cricket Ground. This was the first ever wheelchair cricket match to be played at Pune, and the ground was rife with excitement as the teams prepared for the game. Since the Poona Club had graciously given us the Cricket ground for this match, and that too without charging us anything, it was decided to invite Mr. Sunil Handa, President of Poona Club as the Chief Guest. A special invitee was our own Past President Mr. Munir Chinoy, who is also a past president of the Poona Club. It was his efforts that resulted in us getting the ground free of cost.

The dignitaries were introduced to the teams and the game got underway at 10.00 am as planned. Maharashtra had a great start, and a steady performance saw the score board reading 121 for 3 after 17 overs. The last three overs were a disaster, and the final score was 127 for 9. The Mumbai Team stamped their supremacy and despite some early wickets, batted at a blistering pace to reach 128 for 4 off just 12 overs. They took home the glittering trophy and the gold medals, while the Maharashtra Team had to be satisfied with the Runners-up prize and the silver medals. An exciting day was witnessed by quite a few of our members. The match was widely reported in English and Marathi Newspapers.

I must profusely thank all the 12 members who contributed towards buying the wheelchairs and then contributed towards conducting this match — cricket kits and jerseys for the team, trophies, breakfast, photographer, etc. We have truly 'Created Hope' for these young men, who are striving to overcome the physical challenges that they face, by enabling them to play a game that is like a religion in our country.

Later, on Sunday evening, we had the District Wine and Cheese Fellowship, for which we were the main host club. A record-breaking 22 members from our club had registered for the event. All had a great time sampling and learning about various wines that were on offer.

Rtn. Oni and R'Ann Nafisa Kakajiwala are continuing their great work conducting eye camps. This time it was conducted at the Mahatma Jyotirao Phule English and Marathi Schools at Pisoli. Hats off to this dedicated couple.

Rtn. Narendra Sanghvi has over the years looked after the Rural Schools in Mulshi Taluka. This week he presented Alexa — a talking doll, to the Zilla Parishad School at Fangdar. The local panchayat office-bearers and the teachers were truly wonderstruck, and were highly appreciative of the talking doll. This project has been widely reported in the Marathi newspapers published from Pune.

Preparations are afoot for RCPC Rocks – II, and a lot of behind-the-scenes preparatory work is underway. This is a 'not-to-be-missed' event, and those of you who have not yet collected your passes are advised to do so today. This is an expanded version of RCPC Rocks, wherein the number of instruments being played have been increased to three, and a lot of exciting music has been planned. So do come and spend an evening planned and compered by Rtn. Vipen Malhotra, and be enthralled by these Maestros.

The Week That Was

A Masterclass in Sculpting

Last week's guest speaker, renowned sculptor Abhijit Dhondphale, gave members a captivating insight into his craft — bringing statues made of bronze, clay, paper pulp, resin and man-made cultured marble to life. Abhijit is now the third-generation master craftsman at the helm of the family-run Dhondphale Kala Niketan studio in Rasta Peth, Pune.

Founded in 1941, the studio started out crafting idols of Lord Ganesha for the Ganapati festival. Today, Abhijit's bronze busts, murals, idols and life-sized bronze statues of historical figures such as Chatrapati Shivaji Maharaj and General Rajinder Singhji Maharaj can be found all over the country. One of his most outstanding works is a 9-foot statue of Field Marshal S.H.F.J. Manekshaw, precise to the smallest detail, which stands proudly at the Southern Command Headquarters in Pune's Cantonment area. Abhijit explained the step-by-step creative process behind this and other masterpieces. He said it took him a whole year to create a model of the Field Marshal's statue, which was closely inspected by the top Army brass before giving the go-ahead for the 700 kg bronze statue.

Abhijit's talk was so engrossing that members did not have any objections to the meeting running beyond 8 p.m. It was indeed a masterclass by a master craftsman.

President's Announcements

- Rtn. Narendra and R'Ann Kamini Sanghvi were thanked for their generous donations to RCPC projects.
- Several Rotarians visited the New Vision Arts and Commerce College in Shirur Taluka. The college, managed by Malganga Andh Apang Sanstha, is the only residential institution for physically and visually challenged students, located 70 km from Pune. The college received an upgrade for their computers with the installation of the last five Green PCs funded by Rtn. Pravin Nadkarni.
- Forthcoming events included the Wheelchair Cricket T-20 Match between Maharashtra vs Mumbai; 'Wine-n-Cheese' Fellowship – The Sippers Nite; RCPC Rocks II – Music for Charity; and the Vocational Awards.

First Wheelchair Cricket Match in Pune Maharashtra v/s Mumbai Wheelchair Cricket Teams on March 10, 2024

From Rtn. Pres. Cmde Ajay Chitnis

The Maharashtra Wheelchair Cricket Association (MWCA) approached the Rotary Club of Pune Central (RCPC) in 2023 for assistance to acquire Sports Wheelchairs for their team, since they were not in a position to do so themselves. Heeding to their request, 12 members of the Rotary Club of Pune Central contributed the necessary funds required to provide them with 12 Sports Wheelchairs in November 2023.

The Maharashtra Team has been practicing at their ground in Wanowrie, using these wheelchairs. In January 2024, they visited Mumbai, and played a match against the Mumbai Wheelchair Cricket Team. They played valiantly but ended up losing the match by a narrow margin.

MWCA approached RCPC to sponsor the return match against the Mumbai Team. This time too, RCPC agreed to do so, and with the kind courtesy of The Poona Club Ltd. got permission to use their Cricket Ground. The Poona Club agreed to have the match at their ground, without charging any ground hiring charges and further offered to sponsor the lunch for all the players. They also made the pavilion wheelchair accessible.

RCPC on their part provided the Maharashtra Team the kit for the match, including jerseys, bats, pads, gloves, etc. and other facilities required for the match.

The match was played in the T20 Format at the Poona Club Cricket Ground and commenced at 10.00 am on Sunday, March 10, 2024. Mr. Sunil Handa, President of Poona Club, and Mr. Munir Chinoy, Past President of Poona Club, and RCPC were present at the start of the match. Also present were Rtn. PP Dr. Nasir and R'Ann Noorjahan Kazi, Rtn. Oni and R'Ann Nafisa Kakajiwala, Rtn. Shireesh Nadkar, Rtn. Arun Shroff, Rtn. PP Ajay Dubey, Rtn. PN Lekha Nair, and R'Ann Dipti Chitnis, and a number of Rotarians from the Rotary Club of Poona Downtown.

Commodore Ajay Chitnis, President of Rotary Club of Pune Central, and Mr. Omkar Roundale, Captain of the Maharashtra Wheelchair Cricket Team, welcomed all the guests and members at this unique event, which was taking place for the first time in the city of Pune.

Vishwanath Gurav, Captain of the Mumbai Team, won the toss, and elected to field first. The Maharashtra Team, batting first, got off to a reasonable start, and were going along smoothly, powered mainly by Ravindra Baravkar, who scored 74 runs off 54 balls. Vishwanath Gurav and Dinesh Metupalli scalped three wickets each and eventually restricted the Maharashtra Team to 127 for 9, off 20 overs. In reply, the Mumbai Team lost three early wickets, raising the hopes of the Maharashtra Team. The hopes were short-lived since Santosh Ranjane, 45 off 19 balls and Dinesh Mettupalli, 32 off 26 balls, ensured that their team romped home for a comprehensive victory. The Mumbai Team scored 128 for 4 off just 12 overs and stamped their class over the home team. It was evident that Mumbai was a well-knit unit with a lot of experience, with two of their players in the current India Wheelchair Team, and their captain, a former India player. It was great exposure for the young and newly formed Maharashtra Team, and this will stand them in good stead as they strive to make a mark at the national level.

Commodore Ajay Chitnis, President, Rotary Club of Pune Central, gave away the prizes and congratulated both teams for their heart-warming performance and spirit of sportsmanship. Ravindra Baravkar, Maharashtra, was adjudged the Best Batsman, Vishwanath Gurav, Best Bowler, and Dinesh Metupalli, Man of the Match. The Mumbai

Vocational Awards

From Rtn. Nitin Rajore

Every year we recognize and honour those who have risen beyond themselves and served the needy. The philosophy of giving and caring is an integral part of Rotary. Fortunately, there are wonderful and amazing people and organisations who battle enormous odds and make great personal sacrifices so that the lives of the disadvantaged are improved for the better.

We need your assistance in identifying such people/organisations for this year's **Vocational Awards**. Nominations can be from the fields of Health, Environment, Education, Livelihood, or Empowerment and Advocacy. These awards are not about winning or losing. They are about sharing, encouraging, and inspiring.

If you know anyone doing meaningful work, please nominate them and email their details for our consideration. The least they deserve is recognition of their effort.

You may send your recommendations to Gajanan on his email ID: office@rcpunecentral.org or on WhatsApp to his phone +91 95277 16505.

The Vocational Awards are scheduled to be distributed in the month of March 2024.

I would appreciate your revert ASAP.
