As we bid farewell to another Rotary year, it's with a heart full of gratitude and pride that I reflect on the incredible journey we've shared. This year has been marked by numerous projects that have made a positive impact on our society. A heartfelt thank you goes to our President and his BOD team for their stellar leadership. To our mentors, your guidance has been invaluable, and we owe much of our success to your wisdom.

I extend my deepest gratitude to all Rotary members and their families. "The greatness of a community is most accurately measured by the compassionate actions of its members." – Coretta Scott King.

Our bulletin team deserves special mention for their outstanding work. Through their creative efforts, they have successfully reached out, recorded, and published our stories in captivating ways. As we embrace new beginnings with the July rains, I wish the incoming President, First Lady, and the new BOD team all the best for the upcoming Rotary year. May it be filled with joy, success, and continued service to our community.

Best wishes,
Ar. Mrinalini Godbole

From the Editor

Ann Ar. Mrinalini Godbole

As I bid farewell to a wonderful Rotary year, I reflect on our many joyful memories and recognize areas where we could have achieved more. A couple of years ago, Rtn Kamlesh Karle introduced the idea of long-term leadership development, and this year we began implementing it. We've established the principle of "leading without title," allowing any committed member to lead a project successfully.

Many Rotarians, including PP Mahesh Mahajan, PP Mangesh, PP Anand, PP Marathe, PP Shankar Rao Jadhav, and PP Yadvendra Khalde, offered invaluable support. Rotarians Raju Godbole, Vedang, Prabhak Nikam, Amit, Chetan, and Nilesh Bhosale excelled in their contributions. Anns like Kalyani, Suchitra, Sheetal, Sangitaitai Jadhav, Renuka Jadhav, Mrunmai Mahajan, Neeta Deshpande, Vaishalita Dabhade, and Jayashritai Dahbade gave remarkable support to first lady Archana. Rtn Deepa deserves special appreciation for her involvement.

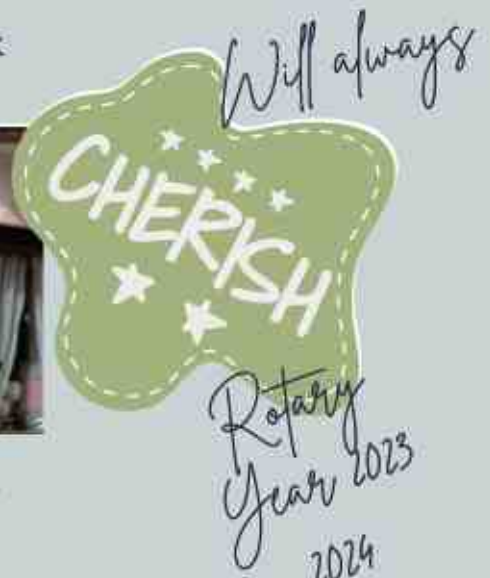

Non-Rotary supporters, such as caterer Suhas, Pranshant Taye, and Santosh Pardeshi, were invaluable. My BOD and team were exceptional, and their efforts were pivotal to our success. I am especially grateful to PE Kamlesh and Secretary Shree for their unwavering support.

Lastly, my heartfelt thanks to Archana, whose support was invaluable. Best wishes to incoming president Kamlesh and the new team.

President's Desk

Pr Rtn Udhav Chitale

Dear First Lady Archana,

We are filled with gratitude for the remarkable contributions you have been making, behind the scenes in transforming our Rotary Club. Your spirit of dedication to creating a warm and welcoming culture, your ability to pick up those panic phone calls, and soothing assurance not to worry, take this project through and do it well your encouragement through your actions has truly redefined our community spirit.

Throughout the year, your unwavering support to all directors and Rotary families has been instrumental in the successful completion of numerous projects.

Your personal touch through calls and messages has made everyone feel included and genuinely cared for. It is often said, "Success isn't about how much money you make; it's about the difference you make in people's lives," a sentiment echoed by Michelle Obama,

Thank you for being the incredible woman behind our successful Rotary president. Your role has been vital, and we deeply appreciate all that you have done.

and admiration,*
