## From The President's Desk

**Dear Rotarians & R'Anns,**

January, being Rotary Vocational Service Month, has given us a wonderful opportunity to celebrate and honour the spirit of vocational excellence. As part of this, we organized a memorable vocational visit to the prestigious National Defence Academy (NDA) at Khadakvasla. The visit was thoroughly enjoyed by all members who participated. We had the rare privilege of meeting Vice Admiral Gurcharan Singh, AVSM, NM, the Commandant of NDA. He graciously spent half an hour with us, sharing fascinating anecdotes about the NDA, leaving us inspired and in awe of this premier institution.

Tomorrow, January 12, 2025, marks a momentous occasion for our Club - our 41st Charter Anniversary! We are celebrating this milestone at 6.30 PM at the Poona Golf Club Terrace. It promises to be an evening of joy, camaraderie, and celebration. We sincerely invite all members and their families to join us in large numbers to make this event truly memorable.

In yet another impactful initiative, yesterday afternoon, we had the honour of installing a new Rotary Community Corps (RCC) Ghorpadigaon. As the RCC's inaugural project, school uniforms were distributed to 300 children (boys and girls) of Swami Vivekanand Semi English Primary School in Ghorpadi, Pune. Witnessing the joy and happiness on the faces of these children as they received their new uniforms was a profoundly humbling experience for all of us.

As we reflect on the success and vibrancy of our Club within Pune District RID 3131, it is heartening to see our collective efforts yielding impactful results. However, it has been a matter of concern that we have not had the pleasure of meeting some of our members and their spouses since the start of the Rotary year. We understand that busy schedules and commitments can sometimes take precedence, but we would truly love to reconnect and see you at our events.

Let us make tomorrow evening a memorable one! Join us at the Poona Golf Club Terrace at 6:30 PM on 12 January for our 41st Charter Anniversary celebration—a special occasion filled with fun, fellowship, and cherished memories.

Warm regards,

**Brigadier PKM Raja,**

## Vocational Awards

From Rtn. Arun Shroff, chairperson Vocational Award Committee

Every year we recognize and honour those who have risen beyond themselves and served their vocations meritoriously and selflessly, be it from your own organisation or any another. Additionally, the philosophy of giving and caring is an integral part of Rotary. Fortunately, there are wonderful and amazing people and organisations who battle enormous odds and make great personal sacrifices towards excelling in their vocations.

### These individuals should demonstrate one or more of the following attributes:

- Goes above and beyond to serve others with a positive and willing spirit.
- Demonstrated leadership or an ability to motivate others in pursuit of excellence.
- Considered situations and problems from novel and diverse perspectives; addressed challenges in an innovative manner.

We need your assistance in identifying such people/organisations for this year's **Vocational Awards**. Nominations can be from the fields of Business, Industry, Health, Environment, Education, Livelihood, or Empowerment and Advocacy. These awards are not about winning or losing. They are about sharing, encouraging, and inspiring.

If you know anyone doing **exemplary** work, please nominate him/her and email their details for our consideration in the nomination form attached. The least they deserve is recognition of their effort.

You may send your recommendations to Gajanan on his email ID: [office@rcpunecentral.org](mailto:office@rcpunecentral.org) with a copy to me on my email ID [shroff.pune@gmail.com](mailto:shroff.pune@gmail.com) or on Gajanan's WhatsApp no. +91 95277 16505.

The Vocational Awards are scheduled to be distributed at our meeting on Saturday 01 March, 2025.

I would appreciate your revert latest by January 31, 2025.

## ***50 things every Rotarian should know about Rotary***

(Inputs from Rtn. PP Suhas Merchant)

### **23 - DISTRICT GOVERNOR**

The Rotary district governor performs a very significant function in the world of Rotary. He or she is the single officer of Rotary International in the geographic area called a Rotary district, which usually includes about 45 Rotary clubs. The district governors, who have been extensively trained at the worldwide International Assembly, provide the "quality control" for the 27,000 Rotary clubs of the world. They are responsible for maintaining high performance within the clubs of their district.

The district governor, who must make an official visit to each club in the district, is never regarded as an "inspector general." Rather, he or she visits as a helpful and friendly adviser to the club officers, as a useful counselor to further the Object of Rotary among the clubs of the district, and as a catalyst to help strengthen the programs of Rotary.

The district governor is a very experienced Rotarian who generously devotes a year to the volunteer task of leadership. The governor has a wealth of knowledge about current Rotary programs, purposes, policies and goals and is a person of recognized high standing in his or her profession, community and Rotary club. The governor must supervise the organization of new clubs and strengthen existing ones. He or she performs a host of specific duties to assure that the quality of Rotary does not falter in the district, and is responsible to promote and implement all programs and activities of the Rotary International president and the RI Board of Directors. The governor plans and directs a district conference and other special events.
