## PRESIDENTIAL

A warm welcome to one and all present and the fellow readers. I am Sajjan Sah, The President of Rotary Interact Club of Panvel Mahanagar.

I'm thrilled and deeply grateful to the Rotary Club of Panvel Mahanagar for gifting me this incredible chance to dive into the \*MAGIC\* of the Interact Club. This journey has not only honed my leadership skills but has also played a pivotal role in shaping my character. Through this experience, I've discovered the power of community involvement and the joy of stepping away from screens to make a real-world impact.

The Interact Club has ignited a spark for social welfare and social action in me, inspiring youth like us to be actively engaged in meaningful work. Each event has been a window into the world beyond our own, challenging us to balance our time and gain insights into life's bigger picture.

Our magazine, \*INTERACT IMPACT\*, stands as a vibrant testament to youth empowerment—proving that true happiness doesn't always come from screens but from heartfelt connections, purposeful work, and the drive to make a difference.

THANK YOU.

**Ms. Sajjan Sah | President | Interact Club Panvel Mahanagar**
