Rotary Designated Month – Vocational Service Month

6 ways to take action during Vocational Service Month

Vocational Service calls on us to empower others by using our unique skills and expertise to address community needs and help others acquire or refine skills and advance their professional opportunities.... By bringing together people from diverse professions and backgrounds, Rotary recognizes the importance of all skills and occupations.... A vibrant Rotary club reflects the businesses, organizations and professions in its community, embracing diversity in experiences and perspectives.... Your professional life and vocational service go hand in hand.... Rotarians have a dual responsibility: Represent their occupations within their club and exemplify the ideals of Rotary in their places of work. **JANUARY IS ROTARY'S VOCATIONAL SERVICE MONTH** a great time to start leveraging vocational service!

Join a Rotarian Action Group and support service projects around the world::

These autonomous groups consist of Rotarians, family members, and Rotary program participants and alumni with expertise in a particular field..... Members advise and collaborate with clubs and districts on service projects.... If your expertise fits one of the current 25 Action Groups, contact the groups' leaders to get involved.....

Join or form a Rotary Fellowship related to your vocation.::

Rotary Fellowships are international groups of Rotarians, family members, and program participants and alumni who share a vocational or recreational interest. There are many vocationally-oriented fellowships such as: Authors and Writers, Editors and Publishers, Health Professionals, Lawyers, Photographers, Police and Law Enforcement.....

Volunteer on a service project and use your vocational skills to serve others.::

Think about the underlying skills that make you successful in your profession: maybe you have training in some branch of science or medicine, are handy with tools or machinery know how to start a business, have expertise managing finances, or can influence others through public speaking or writing. Use your unique set of talents to make a difference in your community.

Share your expertise through your district resource network::

If you have technical expertise in one of Rotary's six areas of focus, or with project planning and implementation, community assessment, measurement and evaluation, or other important aspects of large scale projects grants, let your district international service chair know. Lend your skills to local clubs and help develop more impactful projects.

Participate in a vocationally-oriented Rotary Friendship Exchange ::

Work with your district Rotary Friendship Exchange chair to organize an international, reciprocal exchange between two districts interested in exploring a professional field in a new cultural context..... Involve young professionals, and organize activities allowing exchange participants to experience cultural immersion while exploring their field in a new environment.....

Join TRF's Cadre of Technical Advisors::

The Rotary Foundation Cadre of Technical Advisors is a group of volunteer Rotarians who provide technical expertise and advice to Rotarians planning and carrying out Rotary grant projects around the world. Cadre members review, monitor, and evaluate projects and ensure grant funds are being used properly.... Apply online to be considered for the Cadre.....

Message by RI President R. Gordon R. McNally for January 24

In difficult times like these, it's impossible to avoid feeling heartbroken over the devastation and loss of life caused by war and destruction. Rotary always stands against harming and displacing civilian populations and using armed aggression instead of pursuing peaceful solutions. We advocate for the observance and respect of international law. We believe in strong action to defend and promote peace, even in the darkest of times. But we also take our position as an international, nonpolitical, nonreligious organization seriously. To respect the global perspectives and experiences of our members, and to work most effectively in our peacebuilding efforts, we do not choose sides in conflicts. Rotary is made up of 1.4 million people in communities all over the globe who are united in our commitment to building a peaceful world. We strive to ensure that our words and actions prioritize the health and safety of our global membership and the communities where we live and serve. Our members seek to offer

humanitarian assistance to those affected by conflict, and our global reach requires that we promote peacebuilding and conflict prevention with cross-cultural, cross-border connections and friendship through Rotary. For decades, Rotary has harnessed these connections to carry out service projects, support peace fellowships and scholarships, and establish programs like Rotary Peace Centers to help build lasting peace. Our members also take action to promote Positive Peace, addressing the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources. Rotary members who wish to wage peace can use district grants and Rotary Foundation global grants to support projects with other Rotary members that help refugees and displaced people, provide medical support, and more worldwide. Members can also work with or join peace-focused Rotary Action Groups, Friendship Exchanges, Fellowships, and intercountry committees. And District Designated Funds or district cash can support our peacebuilding and conflict prevention efforts. Members and nonmembers alike can learn more about peacebuilding through the Rotary Positive Peace Academy, a free online course available to anyone with an internet connection. You can find it at positivepeace.academy/rotary. There is no denying that incidents of violence and atrocities being perpetuated around the world seem to be escalating. Global peace is fragile, and the stakes are getting higher. Still, we know that it is possible to bring all people together to work toward a shared goal. Rotary members do so every day in every part of the world. May our ability to unify in common purpose be a spark that helps light the path out of these dark days. Together, let's Create Hope in the World.

DG Manjoo Phadke won Sylvia Whitlock Leadership Award

The Sylvia Whitlock Leadership Award honors one Rotary member each year for their work to advance women in Rotary. The award is named for Sylvia Whitlock, the first woman to serve as a Rotary club president. Whitlock has gone on to lead change for women around the world through Rotary. In 2021, the RI Board made this award, which was created by group of Rotarians in 2017, an official RI award. Beginning this year, any member can nominate another member during the 1 August-30 September nomination period. For RIY 23-24, this award is declared to our own DG Manjoo Phadke.

24-25 Rotary Theme – Magic of Rotary – RIPE Stephanie A. Urchick

Who's ready to hear the 24-25 annual theme? All right, I'll tell you our theme. After one quick story! Years ago, I was in the Dominican Republic helping install water filters. Two young boys watched as dirty water entered a filter in one end and emerged clean out the other end. I'll never forget the first time we stopped the water flow. One of the boys grabbed my sleeve and said, "Show me the magic again." Obviously, the water filter wasn't magic. We worked hard to transport those filters, install them, and work with recipients in the area to maintain them. But those boys knew that easy access to clean water would

change their lives. Knowing that I played a small part in that certainly changed my life. And that is why our annual theme is The Magic of Rotary. Now, don't misunderstand me: We are not going to grow membership, end polio, or bring peace to the world by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member inducted. The Magic of Rotary can encourage whatever drives your local clubs. You can "grow The Magic of Rotary," if you're adding new members to our family. You can "unlock The Magic of Rotary" if you're unlocking the power of women and girls. You can "advance The Magic of Rotary" if you're fundraising to help change the world. And when our year as Rotary president and district governors has come to an end, it's up to us to make sure there's a whole line of people behind us, ready to keep the magic going. I love my Rotary family, and I can feel that love in this room. That's why I know you are capable of making every club in your district simply irresistible. This International Assembly won't last forever. Make the most of even the smallest moments. The briefest connection could result in a lifelong friendship. The simplest lesson could change your entire Rotary career. Don't let these opportunities pass you by. And when we return home, let's change the world by embracing The Magic of Rotary.

The greatest festival on the earth is Diwali. Words are not limited to express the joy, enthusiasm, hopes and all that Diwali brings for all of us. There is another Diwali which was celebrated on 22 January. Yes. You guessed it right - Installation of Ramlalla in Ayodhya. Not only Indians but citizens in many other countries celebrated this occasion on 22 January. Pune was painted with Saffron colour on that day. Everybody will remember this second Diwali. However, what if there is third Diwali? Can you guess? Yes. As for we Rotarians, DG visit is Diwali for us. Everything is special on that day. We welcome our DG. We present to DG what we did during the year. DG praises us for all the good work done by us. There is nothing more than Diwali in the DG Visit. Let us celebrate it. Welcome DG! Darpan team and all members of our club wish you all the best!

तेजोमय हरिवंश के आप हो अमिताभ,
अथक कष्ट से प्राप्त हुआ धेत जय का साथ।
अभिषेक हुआ सम्मानोंका लक्ष्य हो गया साध्य,
प्राप्त हुआ ऐश्वर्य बन गये आप आराध्य।
प्रतिमा थी चित्रपट में क्रोधीत नौजवान,
करोडो दिल जितकर बँन गये भारत कि जान।
दिया बॉलीवूड को सम्मान, बढी बच्चन परिवार कि शान।
किस्मत से पायी आपने ऐसी आवाज,
जिसने किया पुरे देश पर राज।
संभाषण का पाया आपने एक अद्भुत तंत्र,
वाणी आपकी बन गयी एक संजीवनी मंत्र।

उनके आशीर्वाद से आप बन गये श्रीपती।
खेल सवाल जवाब का चलता रहे हमेशा,
आप हो इस मंच के अभिषिक्त शहेनशाह।
