RI President Rtn Jennifer Jones

Rtn. Dear fellow Rotary leaders:

As we embark on a new year of service, let us take the opportunity to reflect upon the gift of our membership in Rotary. As club and district leaders, you have such an important role to play. You can do so much to help create club experiences that are welcoming, inclusive and enjoyable for each and every member – and you can extend that same warmth and belonging to every participant who wishes to engage with our clubs. Over and over our surveys find that member comfort and care is the single greatest driver of member satisfaction and our most powerful tool in driving members retention. So, we need to put a special emphasis on membership care and belonging. And that work begins with listening. We need to understand why our members took the big leap and joined us – and we need to know what they expect from us. What do they want out of their Rotary involvement and what we can do to help them get more out of their Rotary experience? We all feel the impact that Rotary service and Rotary values have on us ... now it's our opportunity to share that feeling with others. This is a year to Imagine Rotary by envisioning a world that deserves our best, where we get up each day knowing we can make a difference. We don't imagine yesterday, we imagine tomorrow. We imagine a world without polio, with clean water for everyone. We imagine a world free of disease and where every child learns to read. We imagine kindness, hope, love, and peace. Each of you has assumed important responsibilities as a member of Rotary and I thank you for your hard work. You have made a commitment to help grow Rotary, to adapt to the digital future and to make Rotary more appealing to future generations. Your good work will help us serve our communities and help Rotary thrive so we can Imagine Rotary.

Warmest regards,

Jennifer Jones  
President,  
Rotary International 2022-23

## The 4-Way Test of things we do and say :

1. Is it the **TRUTH** ?
2. Is it **FAIR** to all concerned ?
3. Will it build **GOODWILL AND BETTER FRIENDSHIP** ?
4. Will it be **BENEFICIAL** to all concerned ?

DG Rtn Dr. Anil Parmar

Dear Friends,

Heartiest Congratulations & a very warm welcome to a new and expectant RY 22-23. Covid Pandemic had not only impacted our personal lives but our Rotary as well. We have recuperated from it and as it's always said, 'Convert challenges into opportunities', very effectively we supported the community in many ways by doing many Global Grant projects. I would like to complement each one of you, for putting in all your efforts in the hour of crisis and making a huge difference in the lives of people. I must say that we were very fortunate to host all the events/training sessions physically and had an overwhelming response for the same. I want to thank all the club leaders and their teams for joining in large numbers and supporting us. RY 22-23 is going to be a Historic year! For the first time in the History of Rotary

International, we will be having a Lady as an RI President! RI President Jennifer Jones will be leading our esteemed Organisation. It is going to be a great year and as a tribute to her leadership & also respect to Women Power, we have to put our best foot forward and work towards increase in Lady Members in our district. RI President Jennifer Jones has given this thought-provoking theme "Imagine Rotary" and if we actually start imagining Rotary and the opportunities it gives us to serve the community, so many wonderful ideas, themes can be thought of & manifested too. She has also promoted the wonderful concept of Diversity, Equity and Inclusion. This describes policies and programs that promote the representation and participation of different groups of individuals, including people of different ages, races and ethnicities, abilities and disabilities, genders, religions, cultures and sexual orientations. We all have joined Rotary because someone had invited us to be a part of this wonderful organisation. Now, it is the moral responsibility of each one of us, to invite at least one member to our club, motivate and engage them in our activities so that they are assimilated well. We are DOING GOOD IN THE WORLD through The Rotary Foundation and I am glad that our District has a strong Participation in Rotary Foundation Programs. We have consistently been amongst the Top 10 Contributing Districts of the World and our Participation in Global Grants is extraordinary. New norms for Global Grants have made it further essential that we contribute more and more to TRF so that we can do Bigger, Better, Bolder and Long-term Impact Creating Sustainable Projects through Global Grants. We also need to request & motivate our non-Rotarian friends to contribute to TRF as this will help us to serve our community in a better way and also will give them an opportunity to know Rotary & feel blessed by doing their bit for the community at large. Let's work together towards the betterment of the society & achieve the PINNACLE of Success for our Clubs and RID 3131. DELIVER HAPPINESS, SPREAD SMILES & ENJOY ROTARY by IMAGINING Rotary & fulfilling OUR dreams FOR the community. Remember

"TOGETHER WE CAN AND TOGETHER WE WILL !"

## From the Desk of Editor

Hi Friends,

Our club will be entering 13<sup>th</sup> year in RY 22-23 after completing a decade of activities. Last year was partially affected by pandemic but club did a lot of activities which were covered in Maitra from time to time.

As an editor, I envisage the Maitra will be a reflection of our club activities, club members and it will resonate the vibrations of our vibrant club. To effect this, whole hearted participation and contribution from all members, Anns, Annas and Annets is requested.

This year Maitra team consists of myself along with Ann Jayashree Dhupkar and Rtn. Atul Joshi. As per current trend, mostly Maitra will be published electronically and will be shared with you on what's app. On few occasions, limited copies will be printed. We welcome suggestions from all to make this success.

We look forward to your positive support and contribution.

Purushottam S. Mulay

Banners exchange with  
RI PE Rtn. Jennifer Jones

On 31 May, Myself & my wife Ann Supriya, went to the Rotary International HQ in Evanston, Illinois, United States. It was great to understand the history of the organization, its presence across several countries and see the positive impact of our charitable work on many underprivileged people across the globe. The tour guide showed us the boardroom, the flags of all Rotary countries, other memorabilia throughout the building, and gave us a tour of the office of current RI President Rtn. Shekhar Mehta. It was a proud moment to see Indian Flag besides Rotary Flag behind RI president table.

While at the HQ, we were fortunate to meet Rtn. Jennifer Jones, current President-Elect of Rotary International. We were surprised by how humble and down to earth she was in her conversation with us.

She walked to the door to welcome us in, asked where we were from, showed us around her office, offered us banners and gladly stood for a photo with us. Proud and humbling moment for us, and we really enjoyed the entirety of our visit to the Rotary International HQ.
