छत्रछाया

A Public Image project was undertaken by DG Shital Shah. Via this project, umbrellas were distributed to needy vegetable and fruit vendors. The vendors were from diverse areas like Kothrud, Chinchwad, Baner and Padamavati

Rotary Club of Pune Karvenagar participated in this project and distributed 10 umbrellas.

It rained quite heavily in Pune this year. When umbrellas were handed over to vendors, their faces were full of joy and gratitude. Each vendor thanked Rotary from bottom of their hearts for donating umbrellas.

The signature project of Rotary Club of Pune karvenagar is “Waari”. During this project, the ambulance donated by the club is with “Dnyaneshwar Maharaaj” palakhi for 15 days. There is a group of doctors who travel with the ambulance and provide medical assistance to “Waarkaris” free of cost. This assistance includes giving medication for troubles like cough, fever, body pain which are normally faced by “Waarkaris” who walk from Alandi to Pandharpur tirelessly for a period of about two weeks. Dr. Bhagwan Narkhede, one of the past members of the club, guides this whole journey of ambulance for two weeks. His wife PP Dr. Harshita Narkhede also guides another ambulance which is with “Tukaram maharaja” palakhi. There are also additional couple of ambulances in which patients are further treated for a minor surgery (like nail extraction) is needed.

Hats off to a doctor couple of Dr. Narkhede who are consistently doing this activity from more than 20 years.

Members of Rotary Club of Pune Karvenagar visit one of the halt places of palakhi every year and offer their services. They help to regulate the flow of patients to busy doctors, apply oil and massage feet of Waarkaris and classify medicines as per instructions of doctor.

On 3rd July 2024, Rtn. Ashok Bapat, Rtn. Milind Agnihotri, Dr. Dileep Kulkarni, President Rtn. Deepak Thite visited Saswad to offer services on behalf of club
