

Donating Laptops to Needy students

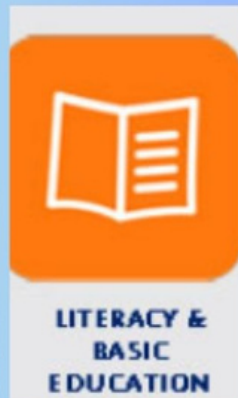

Rotary club of Pune Sports city along with Finastra initiated a project for donation of Laptops to students at Dada Gujar School Mohamedwadi.

"Rotary Club of Pune Sports City along with Bavaria motors initiated a programme to support underprivileged kids with hearing aids. This initiative has helped provide better life and impactful hearing for kids who have been lacking this basic need."

Finastra has been in associating with Rotary Club of Pune Sports City in many social support activities. In their current effort they have tried to address need for digitalisation for students wherein the purchase Laptop is quite a luxury for kids.

President of Rotary Sports city Dr. Ashutosh Dubey is one of the leading specialist on this subject and he extended his services to support the cause.

Donation of 30 hearing aids done was done in total. Dr. Ashutosh Dubey helped in free programming for these 30 hearing aids and gave training on usage.

Hearing aids were provided to kids at Ayodhya Charitable Trust – This trust gives free of cost staying , education facilities to deaf kids. Kids were in destitute and need of this hearing aids. They were already lacking by years.

A Message from Mr. Arun Gujar of Maharashtra Arogya Mandal on this activity

"Thank you and all Rotary club of Pune Sports City members for your kind gesture of introducing us to Finastra and donating us 10 laptops.. We are really thankful for your support in the social cause.

We really look forward for your continued patronage.
