## एक क्रांतिकारी आविष्कार !!

\*पत्नी ने गुस्से में घर से निकाला और हो गया एक क्रांतिकारी आविष्कार!

बात 2004 की है. वर्तमान में गूगल कंपनी के सीईओ सुंदर पिचाई उस समय अमेरिका में करियर बनाने की जद्दोजहद में थे . एक बार उनके एक जानने वाले ने उन्हें अपने घर डिनर पर बुलाया. सुंदर को चूंकि अपनी पत्नी के साथ जाना था तो उन्होंने अपनी पत्नी के साथ मिलकर एक प्लान बनाया. सुंदर ने कहा कि उन्हें सुबह ऑफिस जाना है तो ऑफिस के बाद वह सीधा डिनर के लिए जानकार के घर पहुंच जाएंगे. उन्होंने अपनी पत्नी से कहा कि वह घर से सीधे वहां पहुंच जाए. मतलब कि पत्नी को सीधे घर से डिनर के लिए जाना था और

सुंदर पिचाई को ऑफिस से सीधे डिनर के लिए पहुंचना था.\* डिनर प्रोग्राम रात को 8 बजे का था. सुंदर पिचाई की पत्नी अंजलि अपनी कार से रात को ठीक आठ बजे डिनर के लिए मेजबान के घर पहुंच गई. सुंदर पिचाई भी ऑफिस से निकल पड़े, लेकिन वे रास्ता भटक गए. वहां पहुंचते-पहुंचते उन्हें लगभग 10 बज गए. पिचाई जब वहां पहुंचते तो उनकी पत्नी वहां से डिनर करके निकल चुकी थी. अब पिचाई साहब की हालत खराब हो गयी . अमेरिकी चूंकि समय के पाबंद होते हैं अतः

मेजबान ने भी पिचाई के आगमन पर रुखा स्वागत किया. सुंदर पिचाई वहां से बिना कुछ खाये अपने घर चले गए. घर पहुंचते ही उनकी पत्नी अंजलि ने उनके साथ

झगड़ा शुरू कर दिया, क्योंकि वह समय पर नहीं पहुंचे थे और इससे उनकी पत्नी की बेइज्जती हो गई. अंजलि का मूड खराब देखकर सुंदर पिचाई ने फिर से (उसी समय रात को) ऑफिस लौट जाना ही उचित समझा. कुछ लोग कहते हैं कि पत्नी ने गुस्से में उन्हें घर में ही घुसने नहीं दिया था . खैर जो भी हो , अब सुंदर वापस ऑफिस पहुंच गए और वह पूरी रात वहीं बिताई. वे पूरी रात एक ही बात सोचते रहे- मैं रास्ता भटक गया तो न जाने कितने ही लोग रोजाना ऐसे ही रास्ता भटक जाते होंगे. कुछ ऐसा होता कि कोई रास्ता न भटके को कितना अच्छा होता. पूरी रात सोचते-सोचते उन्होंने सोचा कि यदि मैप यानी नक्शा उनकी जेब में होता और डायरेक्शन सही मिल जाती तो रास्ता नहीं भटकते.

अगली सुबह सुंदर पिचाई ने अपनी पूरी टीम को बुला लिया और मैप बनाने का आइडिया सबके सामने रखा. टीम ने ये आइडिया सुनते ही हाथ खड़े कर दिए. टीम को उनके आइडिया में भरोसा नहीं था, लेकिन लगभग दो दिन लगातार टीम के साथ मीटिंग की और उन्हें एक ऐसा प्रॉडक्ट डिजाइन करने के लिए मना लिया, जो लोगों को राह दिखाए. सुंदर पिचाई और उनकी टीम ने कड़ी मेहनत करके 2005 में गूगल मैप बनाकर अमेरिका में लॉन्च कर दिया. अगले ही साल 2006 में इंग्लैंड और 2008 में भारत में लॉन्च कर दिया. और अब तो आप जानते ही हैं कि पूरी दुनिया को सही रास्ता दिखाने का काम उनके बनाए Maps ही कर रहे हैं. एक आंकड़े के मुताबिक, पूरी दुनिया में हर सातवां इंसान गूगल मैप्स का इस्तेमाल करता है.

है ना जोरदार बात ! तो साहब कभी पत्नी गुस्सा हो जाए । आपसे नाराज हो जाए । तो चिंता ना करो । क्या पता उस नाराजगी में , उस गुस्से में भविष्य का कोई ऐतिहासिक आविष्कार छुपा हो.

## Ann's Chit Chat By Ann Umaa Ranganaathan

A wonderful story to ponder over..

Who am I?

Once, a beggar while begging in a train, noticed a well-dressed businessman wearing a suit and boots. He thought that this man must be very rich, so he will surely give good money if I ask him. So he went and asked that man for alms.

The beggar said, "Sir, I am a beggar, I can only keep asking people for money. How will I be able to give anything to anyone?"

The man replied, "When you can't give anything to anyone, then you don't have any right to ask as well. I am a businessman and believe in transactions only - if

you have something to give me, then I can also give you something in return." Just then, the train arrived at a station, and the businessman got down and left.

He started thinking that maybe I do not get much money in alms because I am not able to give anything to anyone in return. But I am a beggar, I am not even worth giving anything to anyone. But for how long will I keep asking people without giving anything.

After thinking deeply, the beggar decided that whenever he gets something on begging, he will definitely give something back to that person in return.

But now the question was, what could he give others in return for begging? The whole day had passed thinking about this but he could not find any answer to his question.

The next day while he was sitting near the station, his eyes fell on some flowers blooming on the plants around the station. He thought, why not give some flowers to the people in return for alms. He liked this idea and plucked some flowers from there and went to the train to beg.

Whenever someone gave alms to him, he would give some flowers to them in return. People used to keep those flowers happily with them.

Whenever someone gave alms to him, he would give some flowers to them in return. People used to keep those flowers happily with them. Whenever someone gave alms to him, he would give some flowers to them in return. People used to keep those flowers happily with them.

Now the beggar used to pluck flowers everyday and distribute those flowers among the people in return for the alms.

Within a few days he realized that now a lot of people have started giving him alms. He used to pluck all the flowers near the station. As long as he had flowers, many people used to give him alms. But when no more flowers were left with him, he wouldn't get much. And this continued every day.

One day when he was begging, he saw that the same businessman was sitting in the train, because of whom he was inspired to distribute flowers. The beggar immediately reached out to him and said, "Today I have some flowers to give you in return for alms."

The man gave him some money and the beggar gave him some flowers in return. The man liked his idea very much and was quite impressed.

He said, "Wow! Today you too have become a businessman like me." Taking flowers from the beggar, he got down at the station.

But once again, his words had reached deep into the beggar's heart. He kept thinking again and again about what the man had said and started becoming happy. His eyes started shining now, he felt that he had now got the key to success by which he could change his life.

He immediately got down from the train and excitedly looked up at the sky and in a very loud voice said, "I am not a beggar anymore, I am a businessman now, I can also become like that gentleman, I can also become rich."

When people saw him, they thought that maybe this beggar has gone mad. From the next day that beggar never appeared at that station again.

Four years later, two men dressed in suits were traveling from the same station. When both of them looked at each other, one of them bowed to the other with joined hands and asked, "Do you recognize me?"

The other replied, "No! Maybe we're meeting for the first time."

The first one again said, "Sir, try to remember, we are not meeting for the first time but for the third time".

Second person, "Well, I can't remember. When was it that we met before?" Now the first person smiled and said, "We have met twice in the same train before. I am the same beggar whom you had told in the first meeting what I should do in life, and in the second meeting you told me who I really am."

"As a result, today I am a very big flower merchant and I am going to another city in respect of the same business."

"You told me the law of nature in the first meeting... according to which we get something only when we give something. This rule of transaction really works, I've felt it very well, but I always thought of myself as a beggar, I never thought to rise above it. When I met you for the second time, you told me that I have become a businessman. Thanks to you, from that day onwards, my perspective changed and now I have become a businessman, I'm not a beggar anymore."

Indian sages probably put the most emphasis on 'knowing yourself'. As long as the beggar considered himself a beggar, he remained a beggar and when he considered himself as a businessman, he became one. Similarly, the day we will understand that I am Him, then what will be left to know and understand?
