We recognize that there is still a long way to go to achieve gender equality and empower all women and girls. The United Nations provides this sobering update on the sustainable development goal related to gender equality: "At the current rate of progress, it is estimated that it will take up to 286 years to close gaps in legal protection and remove discriminatory laws, 140 years for women to be represented equally in positions of power and leadership in the workplace, and 47 years to achieve equal representation in national parliaments."

First Lady Spreading Smiles

My Dear Rotary Parivaar

Wanted to share with you all that recently my Friend - Mrs Pooja Chitre (who has donated a Printer last month through our Club) has invited us to her daughter's birthday party. There we met her father who is a Past President Rtn. Prakash C. Gupte, RCBMV, Mulund, west. On behalf of our Entire Rotary Parivaar we gave him a token of gratitude "Club logo Mug". He studied our Club's activities on our website and was so happy and impressed by RC Nigdi-Pune.

I am sharing below his wonderful message and appreciation for our Club and our members.

Dear First Lady Rtn Kamaljeet,

I am Prakash C. Gupte, associated with our Club for last fifteen years also a past President of the Rotary Club of Bombay Mulund Valley, Mulund West. It was really nice meeting you on the occasion of Birthday party of my pretty little grand daughter Viara. We were in Pune this time for a long time, more than a week to be with our grand daughters. Both, my daughter Pooja n my Son in Law Shubhendhu looked after our comforts n coziness through n through. It was truly a Five Star stay for us. Moreover, every moment we spend with our Grand daughters is blissful.

Thank you so much for the lovely memento you presented to me on behalf of your club which will certainly help us strengthen the sweet Bonding relations between the two clubs n ourselves. I browsed through your club activities on the net n can proudly say that what you all from your club do is a Service above self. Lovely projects reaching out to the most needy sufferers n people from all walks of life in the vicinity. I can say that Rotarions are born social workers and the results what you see for and from all the Rotary Clubs all across the globe are incredible n remarkable. Some time back we faced a global health crisis, natural disasters, and economic turmoil all at the same time and the whole world was affected. Through it all, Rotary has stood tall. We have heard stories of some amazing acts of generosity and personal acts of service by clubs, Rotarians, and Rotaractors. It's the culture & values imbibed in us which makes the real difference. In our next Club meeting, I will certainly talk about you n your Nigadi Club by sharing your photograph handing over the memento n reciprocate back to you at the earliest.

Once again thanks for your good gesture. Keep In touch and do visit our Club as n when convenient to you. Wishing you n all your Club Members tons of abundant wealth, good fortune, health and happiness.

Happy Birthday

Enjoy Togetherness

Grace of God

Ann Umaa Ranganaathan

Love, interest and sublime emotion,

Towards the Almighty is true devotion.

The Lord is ready to shower His blessings with a
condition,

Waits for the call from His own creation.

He comes to our support in time less than a fraction,

Enjoys listening to the prayer of a pure rendition.

He plays His enchanting flute with full concentration.

The mesmerized universe appears in still - meditation.

We witness the pattern of behaviour variation,

Lion and the lamb, tiger and the cow drink water
together peacefully, a rare combination.

There is the animate and inanimate assimilation .

When there is such an occurrence of a magical
situation,

It is the grace of God ----God realisation.
