Embrace challenges as opportunities, stay focused on your goals

Our journey together has been marked by remarkable achievements, and I am proud of what we have accomplished as a united force committed to service, fellowship, and community impact. As we chart the course for the upcoming months, let us reaffirm our commitment to Rotary's guiding principles.

Firstly, let us celebrate the achievements of the past months. The success of our projects and the positive influence we've had on our community are testament to our collective strength and unwavering commitment. Each project, no matter how small, has contributed to the larger tapestry of change we are weaving.

December 2023 Projects

RCP Yuva Box Cricket League

RCP Yuva organized the Box Cricket Tournament for 3rd consecutive year. This year we clubbed the event with Rotary District 3131. Total of 16 teams participated in the event. Group tournaments, quarter finals, semifinals and Final were played on 23rd and 24th December 2023, at Derby sports turf.

RCP Phoenix won the tournament while RCP Yuva was the runner up. The event was inaugurated by District Director Rtn. Shashank Phadke.

The prize distribution was done by the hands of Mr. Mangesh Bhuskute a former Kuchbihar Karandak player and now a SP.GST

Rotary Club of Pune Yuva

RCP Yuva Box Cricket League

AG Visit

RCP Yuva recently organised an AG Visit for the club, in which our AG Rtn. Kiran Ingale was present. His impression of the club was “RCP Yuva Club appears to be a club of strong minded people in the district with innovative ideas in Rotary context. In the recently held AG visit, President Ninad properly reviewed the club's work so far through his excellent leadership skills.

My observation is that the club potential suggests that they can improve on membership number. If the club works efficiently, they should be able to reach a membership count of 50.”
