

Auspicious beginnings...

Rotary Club of Aundh ushered in a new year with Mr. Rajendra Shelar taking over as President for 2024-25. Past President Rtn. Ajay Deshkar handed over the reins to Mr. Shelar and wished him success.

The Rotary year commenced with a visit to Suryamukhi Hanuman Mandir, attended by club members and the new President. In the spirit of community service, the club also distributed umbrellas to street vendors under District 3131's initiative, 'Rotary Chatra Chaya,' envisioned by District Governor Rtn. Shital Shah. We will share more photos of this commendable initiative.
