Last Week Program

Club Admin – *Rtn. Dr. Ravindra Kadam*

Holi eek mehez rangonka tyohar nahi hai.

It's an occasion and opportunity to meet each other and express the joy of meeting, in a colourful way.

And that's exactly what we all experienced at Vidisha resorts on Monday, 25th March.

Pure laughter, natural smiles and spontaneous greetings was experienced by everyone.

I believe everyone needs such an occasion to move out of busy day to day life. And the opportunity was created and meticulously executed by club admin rtn dr ravindra and First Lady Kamaljeet was well taken by all those who attended. Kudos to both of them along with their team. The 4 hour entertainment was perfectly planned with many activities binding all members.

It's not possible without encouragement and support by president Rtn Harbindarsingh. Thank you president for giving club members an event of pure joy and happiness. Music was catchy, rain dance relaxing, swimming pool and water fall cooling, food tantalising and pleasure unlimited.

While appreciating the efforts taken by all those who selected this site, arranged all entertainment and food, appreciation for also those who attended hilariously, considering the travel distance to venue.

Overall the day was relieving.
