August, 2022

For Internal Distribution

This month is Rotary's Membership and Extension Month, and while we are reaching the end of the month, I felt that we should all think about what this means. Membership and Extension is an ongoing part of being a Rotarian so we do not confine ourselves to making an effort on membership during August only. But was does having more members really mean?

- Is it to make the President look good?
- Is it to beat other clubs by having the most members?

- Is it to "Enrich your life by meeting people from different backgrounds"

The first two are probably the end result of having a strong membership, but not the reason. The third one is a quote from Rotarian Andro Bottse from the Rotary club of Amsterdam-Arena. This is a very poignant message about the opportunities that exist within our organization; this is not just about the international opportunities but also about what exists within our own community. Twinsburg is a richly diverse city with people from many cultures and walks of life who could make great Rotarians.

Rotary International has a statement on diversity; Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community with regard to professional and business classification, gender, age, religion and ethnicity is a club with the key to the future.

Remember - **"Make A Difference"** - when you share with your acquaintances and invite them to serve with you in Rotary!

From The Desk of President

Dear Friends,

Our August Issue of Maitra has full report of various programs and projects undertaken by Sahawas. The month of August 2022 was special month for RCP Sahawas as we had two major events to host and organize. On 6th August 2022 we hosted District Club Admin Seminar which received outstanding response from all Rotarians. Full report of the program, you will find inside. On 9th August we had launch of Community Development Through Sport at Indapur. It received overwhelming response from sportspersons of Indapur. Full summary of the events is covered with photos and comments in inner pages.

Installation ceremony at 2 Interact schools, distribution of Happy School Kits and School Uniforms to needy and meritorious students, flag hoisting on Independence day, Raksha Bandhan at Paraplegic Center at Khadaki, Welcome ceremony for students of RYE Program, Special Shraavan Maas Fellowship for women were the major highlights of the month. On 15th, August 2022, RCP Sahawas celebrated 75th Birthday of our Senior Rtn. Vijay Bhagat on the dias of Melody Makers Musical Night with Sudesh Bhonsale as we were the Co-host of the program. Thanks to our Foundation Director, Rtn. Dinkar Palaskar and his ebullient Hirkani Group, a novel idea in Foundation receiving accolades from the DG. The news of elevation of our membership director Rtn. Kiran Ingale as Assistant Governor for the year 2023-24 was welcomed by all Sahawasi.

During Membership Award function, RCP Sahawas received medals for 20% membership growth, rise in lady Rotarians and personal appreciation for Rtn. Kiran Ingale, Sahawas.

Ganeshtosav and Project Dhadkan, two major events await us in the month of September. It would be pertinent to recall what RI President Jennifer Jones said about 'Imagine Rotary', "Let's imagine a world without polio, a world with clean water for everyone, a world free of disease, where every child learns to read, imagine kindness and hope and love and peace, and that is why I am asking you to imagine Rotary".

Now we can upload our Club Activities on our Own YouTube Channel.

All are requested to subscribe, like and share this channel to all your friends and relatives. We will add RCP Sahawas events, projects on this channel. BOD members can send Nicely Made event videos to our club's email id – rotarysahawaspune@gmail.com and intimate me.

शुक्रांगण

First Fellowship Synergy meeting of newly formed Friday Club शुक्रांगण, on 29th July 2022, was a huge success with attendance of around 140 members. This alliance of like-minded clubs like RCP Sahawas will surely ensure quality of programme, innovative projects and freshness in approach. Listening to वृक्षवल्ली ताई - संध्या चौगुले was like watching a biopic as to how an ordinary woman can do an extraordinary things if she is ready to sacrifice, struggle and sustain in extremely tough conditions and unfavorable neighborhood. She narrated her life stating how society dislike crazy people like her who wants to Plant & Plant. She said,

कारण कशासाठी वेडं व्हायचं असतं, हे नको त्या कारणासाठी रक्तबंबाळ होणाऱ्यांना कळलं नसतं !

Sandhya Chougule is working tirelessly on all Rotary Focus areas like - environment, water sanitation, maternal health, education , Women empowerment.

Thanks Sudhir, Yashwant, Nivedita, Pratibha, Dhanashri, Sangita, Tanaji & Nisha, First Lady Aparna for coming all the way to MCCIA Trade Tower, S B Road.

झाड तोडायचे, कापायचे आणि लगदा करायचा, कागद बनवायचा, त्यावर लिहायचे, छापायचे, एवढा खटाटोप कशासाठी ?
