Dear Rotarians,

Let me first wish all of you on the occasion of upcoming "Vijayadashmi" festival. The Dussera as we commonly call it is a festival of victory of good against the evil. This is the victory of Rama over Ravan and killing of the Mahishasur by goddess Durga. Let us all pray that we all strive to fight the evil within us and the society to create a peaceful world.

The month of September is the month of basic education and literacy. Isn't it a great coincidence that the teacher's day falls in the same month? We celebrated 5th September, the teacher's day in a unique way. With the innovative theme of Rtn Nitin Phakalkar we felicitated 15 teachers who are not school teachers. The theme "teachers beyond books" brought under one roof teachers giving knowledge to students in singing, dance, karate, cricket, bhajan and many other arts. These teachers are doing enormous work but are not known to many. Their students are shining all over the places but their "Gurus" were not in the limelight. We presented them to the society and I think we set a unique trend of appreciating teachers who are helping to build the nation in a very different world.

Many of these teachers expressed their emotions in front of the crowd and thanked us for such wonderful program. One of the youngest recipients expressed how this award has put responsibility on his shoulder that will make him perform better.

The Ramraksha competition carried out over two days was again a great success in creating strong presence in the society. Young boys and girls are engaged in their mobiles and handling their social media accounts. In such times it was necessary to remind them of our great traditions. With Ramraksha competition we tried to bring them back to their roots. Around 70+ students took part in the competition from 16 schools. The event was managed by the PI team under guidance of Rt. Rushikesh.

Along with small projects we are eying to bring is CSR from industries around us. We have a very strong industrial surrounding and we should get in more and more companies around us working with us to do many social programs that directly benefit the society.

My appeal to all is to make efforts to help us find partners in CSR that will give us strength to do bigger and better projects.

postcard From Ann Vaishali
for Rtn Pramod, a beautiful bond,
their story touches each heart in
our rotary family

हर किसीको नहीं मिलता यहा प्यार जिंदगी में
खुश नसीब है जो जिनको है मिली ये बहार
जिंदगी में

परमेश्वराने मला आयुष्यभरासाठी एक सुखाची देणगी दिली आहे... ती म्हणजे माझा बालमित्र... जो आता माझा जीवनसाथी आहे...
या पोस्टकार्ड द्वारे मी त्याचे आभार मानू इच्छिते....आणि विठ्ठल चरणी एकच प्रार्थना करते की माझ्या जीवनसाथी वर कायम... सुखाचा वर्षाव होऊदे
माझ्या नजरेतून जर तुम्ही बघितलेत...

तर एक अतिशय कष्टाळू, माझ्या जीवनाचा समतोल राखणारा, जो मला नेहमी आनंदी ठेवण्यासाठी धडपडतो,
आणि मी जशी आहे, तसा माझा स्वीकार करून मला नेहमी प्रोत्साहित करतो....असा जोडीदार....

"मी आहे ग तुझ्यासोबत नेहमीच " हे वाक्य मला शंभर हत्तीचं बळ देतं... तुमचा प्रेमळ स्वभाव, मनाचा मोठेपणा,
आणि चेहऱ्यावरचं स्मित हास्य यामुळे एक वेगळीच ऊर्जा मिळते
आपलं आयुष्य आपोआपच सुंदर होऊन जातं जेव्हा आपलं पहिले प्रेम आयुष्यभरासाठी आपल्या सोबत असत.
आणि असा जीवनसाथी मिळायला भाग्य लागतं...

प्रेम करण सोपं असतं पण ते निभावणं अवघड असतं आणि आजही माझा नवरा म्हणुन नाही
तर माझ्या आयुष्यातला चांगला मित्र म्हणुन 21 वर्ष सुखाचा संसार करतो त्यात गोंडस फुलं आली स्मार्थना आणि पृथ्वीराज
मी स्वतःला... खूप भाग्यवान समजते आणि... आपल्या या नात्याचा आदर करते आणि हे नाते असेच फुलत जावे... अशी ईश्वरचरणी प्रार्थना करते

Feeding the community through support, innovation, and expansion is an important aspect of creating a healthy and sustainable community.

One way to achieve this is by connecting with each other and fostering a sense of community. By doing so, we can create a space where everyone feels welcome and supported.

In order to innovate and expand, it is important to stay up to date with current trends and technologies. This can be achieved through education and learning opportunities. By continuously educating ourselves and each other, we can stay ahead of the curve and create new and exciting ways to feed the community.

To reresonate with the community, it is important to listen to their needs and concerns. By doing so, we can develop a deeper understanding of what is important to them and find ways to address their needs. This can be achieved through open communication and active listening.

Finally, to follow through on our goals, it is important to stay committed and dedicated to our mission. By working together with a shared sense of purpose, we can achieve great things and create a stronger, more resilient community.

सपोर्ट इनोव्हेशन आणि विस्ताराद्वारे समुदाय निर्माण करणे हे निरोगी शाश्वत समुदाय निर्माण करण्याचा एक महत्वाचा पैलू आहे हे साध्य करण्याचा एक मार्ग म्हणजे एकमेकांशी जोडलेले राहणे आणि समुदायाची भावना वाढवणे असे करून आम्ही एक अशी जागा तयार करू शकतो जिथे प्रत्येकाचे स्वागत होईल

नवनिर्मिती आणि विस्तार करण्यासाठी प्रत्येकाने अद्ययावत असणे आणि वर्तमान तंत्रज्ञानाचे पालन करणे आवश्यक आहे हे सतत शिक्षणाद्वारे साध्य करता येते हे करताना आपण जगाच्या पुढे राहू शकतो आणि स्वतःला सुधारण्यासाठी नवीन मार्ग तयार करू शकतो हे करताना समाजाच्या गरजा ऐकणं समजून घेणं गरजेचं आहे. खुलं संभाषण आणि ऐकणं, ऐकून घेणं ह्याने हे सहज शक्य आहे. शेवटी आपली ध्येय साध्य करण्यासाठी वचनबद्ध राहण्याची आणि समर्पित होऊन काम करण्याची गरज आहे. एकमताने एकत्र काम करण्याची गरज आहे. हे करत आपण एक एकसंध समाज घडवू शकतो.

EDITOR'S NOTE

*As we celebrate Rotary's October focus on Economic and Community Development, it is heartening to see the vibrant festivities of Ganpati and Navratri lighting up our communities. These joyous occasions not only hold deep cultural and spiritual significance but also serve as powerful reminders of the importance of community bonds. The lively processions, intricate decorations, and spirited events, performances exemplify the unity and enthusiasm that thrive within our neighbourhoods. In our club's Onam celebration, we witnessed firsthand how enthusiasm and huge participation by club members spread the spirit of togetherness and shared joy that transcended boundaries, fostering a sense of belonging that aligns perfectly with Rotary's mission. Let us embrace the positivity and camaraderie of these festivals as we continue our Rotary's October Focus on Economic and Community Development.

The pages of our Monthly Rotary News Bulletin, you will find inspiring postcard stories of Rotarians who are making a difference and who wish to motivate others to Rotary's motto, "Service Above Self." We also share special dates and achievements of rotary family members as our sincere appreciation and encouragement to all. The

Events/ projects carried out, form an important space of the bulletin, so all who served to make these a success could relive those moments and inspire many more to join in next time. Besides the upcoming announcements, and last but not the least we have included Humour on the graffiti page which we propose should be an integral part of our daily lives" A smile a day brightens the hearts in a magical way

Investing in the well-being of young individuals has a ripple effect on the entire community. Healthy, well-adjusted young minds are more likely to grow into adults who contribute positively to their communities, fostering a cycle of community well-being that Rotary strives to achieve. Schools and educational institutions are natural partners for Rotary in these efforts. Our current club projects, collaborating with schools allows Rotary to reach a large and captive audience of young minds and leverage the expertise of educators and counsellors for building healthy minds.

October is a time of reflection, inspiration, and action but looking forward to an even better November may it come with more refreshing brightening moments & continue igniting more flames in more minds and hearts, illuminate the path toward a brighter, more compassionate future for all."
