RTN. DR. UMESH D. FALAK  
PRESIDENT

RTN. SARITA GOENKA  
SECRETARY

September  
2023

## Editorial

### Rtn. Dr. Tanuja Kher

The newly appointed Rotary club officials set to work in July and were fully prepared by September. Have you ever observed, fellow Rotarians, that September has nine letters and is the ninth month of the year? Though it is just the coincidence, it encourages to work in enthusiastic way. Numerous days are observed in September. In accordance with them, a number of events were planned and carried out by Rotary and the Rotary club Pune Deccan Gymkhana (RCPDG).

According to Indian custom, commencing any task with a prayer to God ensures its successful completion. The same is the fundamental reason people adore Lord Ganesh. The Ganpati celebration was place during the third week of September. By visiting Ganpati Mandal with physically challenged soldiers and the Lokmat office, our club received blessings from Bappa. The Charter Day of our club also began with puja at the auspicious Shree Dagadusheth Ganpati temple. Rtn. Manjoo, a charter member of our club and current DG, attended these events together with other Rotarians.

'National Nutrition Week' is observed during the first week of September to raise awareness among the public about the value of nutrition and how it benefits human health. On September 10, Rotary organized Millet Jatra to recognize this week. RCPDG was the cohost for the same.

September is Rotary's Literacy Month and 5th September is observed as Teacher's Day. In this regard, a literacy seminar and award ceremony, and a student activity were planned for Mamasahab Mohol School.

District Vocational Award Ceremony, business meeting with new member induction and Teachers Day celebration, interact assembly and dental camp are other highlights of the month.

The 10-day mega surgical camp held in southern Kashmir at four locations—Anantnag, Pulwama, Shopian, and Kulgam can be regarded as a master stroke of the activities.

More than 30 surgeons, physicians, and few Rotarians travelled all the way to Southern Kashmir to provide more than 2000 free procedures. DG Manjoo Phadke and our district DRR (the leader of Rotary's Rotaract youth wing) paid a visit to the site to show their unwavering support and to thank them for their deed of compassion.

Thus, September was full of more than nine activities by RCPDG which was done with tremendous devotion and zeal.
