A Joyous Christmas Celebration for the Underprivileged

A heart-warming Annual Christmas Party was organized at Poona Ladies Club on 18 December for the lesser privileged, bringing together approximately 325 children from various Institutions. The event was a humbling and inspiring experience, spreading joy and cheer among the young participants. **This is the 18th year that this event was organized.**

Our active partner, Inner Wheel Club of Pune Central, arranged the attractive gifts for the children as well as the entertainment program. The Xmas party for the special children has been arranged for more than 15 years thanks to the initiative of former members of RCPC Rtn. PP Munir Chinoy and Rtn. Anil Bora, and supported by many of our Rotarians and R'Anns. Mr. Satish Shetty has been equally kind hearted by offering unlimited sumptuous snacks for the children as his contribution towards seeing the happiness and joy on their faces.

Our special thanks to Inner Wheel Club of Pune Central, President Deepa Dharane ably supported by R'Ann Hutokshi Pundole, R'Ann Jasma Asher and all other members of Inner Wheel Club for an enchanting event which was thoroughly enjoyed by all the children as was very evident from their beaming faces all through the evening.

Vocational Awards

From Rtn. Arun Shroff, chairperson Vocational Award Committee

Every year we recognize and honour those who have risen beyond themselves and served their vocations meritoriously and selflessly, be it from your own organisation or any another. Additionally, the philosophy of giving and caring is an integral part of Rotary. Fortunately, there are wonderful and amazing people and organisations who battle enormous odds and make great personal sacrifices towards excelling in their vocations.

These individuals should demonstrate one or more of the following attributes:

- Goes above and beyond to serve others with a positive and willing spirit.
- Demonstrated leadership or an ability to motivate others in pursuit of excellence.
- Considered situations and problems from novel and diverse perspectives; addressed challenges in an innovative manner.

We need your assistance in identifying such people/organisations for this year's **Vocational Awards**. Nominations can be from the fields of Business, Industry, Health, Environment, Education, Livelihood, or Empowerment and Advocacy. These awards are not about winning or losing. They are about sharing, encouraging, and inspiring.

If you know anyone doing **exemplary** work, please nominate him/her and email their details for our consideration in the nomination form attached. The least they deserve is recognition of their effort.

You may send your recommendations to Gajanan on his email ID: office@rcpunecentral.org with a copy to me on my email ID shroff.pune@gmail.com or on Gajanan's WhatsApp no. +91 95277 16505.

The Vocational Awards are scheduled to be distributed at our meeting on Saturday 01 March, 2025.

I would appreciate your revert latest by January 31, 2025.

50 things every Rotarian should know about Rotary

(Inputs from Rtn. PP Suhas Merchant)

21 - Opportunities for Fellowship

Most Rotarians are successful professional and business executives because they hear opportunities knock and take advantage of them. Once a week the opportunity for Rotary fellowship occurs at each club meeting, but not all members hear it knocking.

The weekly club meeting is a special privilege of Rotary membership. It provides the occasion to visit with fellow members, to meet visitors you have not known before, and to share your personal friendship with other members. Rotary clubs which have a reputation of being "friendly clubs" usually follow a few simple steps: First, members are encouraged to sit in a different seat or at a different table each week. Second, Rotarians are urged to sit with a member they may not know as well as their long-time personal friends. Third, members invite new members or visitors to join their table just by saying: "Come join us, we have an empty chair at this table."

Fourth, members share the conversation around the table rather than merely eating in silence or talking privately to the person next to them. Fifth, Rotarians make a special point of trying to get acquainted with all members of the club by seeking out those they may not know.

When Rotarians follow these five easy steps, an entirely new opportunity for fellowship knocks each week. Soon Rotarians realize that warm and personal friendship is the cornerstone of every great Rotary club

A Message from John Hewko- Rotary International

(Inputs from Rtn. PP Rakesh Bhargava)

Thank you for your generous support of The Rotary Foundation. This past year, more children have had opportunity to grow into healthy adults, more healthcare workers have gained skills to save lives, and more ecosystems have been restored because people like you choose to invest in solutions that empower individuals and strengthen communities.

We are building a healthier, more resilient, and more peaceful world. I invite you to be among the first to read about the difference we're making together in our 2023-24 annual report. We have reason to celebrate. More than 400 million children were vaccinated against polio in 2023,

with the support of Rotary and our polio eradication partners. We also have much to be thankful for and to hope for in the future. Our donors contributed more than US\$417 million in gifts and commitments, and we awarded US\$82 million in total funding to more than 1,200 global grants.

The stories about our impact and supporters, alongside the financial information, in this year's report testify to the strength of our partnership. I have confidence in the good the Rotary community will continue to achieve together, locally and globally.

Pune Branch of Association of Physicians of India Honors Eminent Physicians with Lifetime Achievement Awards

The Pune Branch of the Association of Physicians of India (API) was established in 2004, thanks to the tireless efforts of senior physicians like Dr. Vikas Pai, Dr. Mahesh Tulpule, and Dr. Nasir Kazi. Dr. R.S. Wadia, a renowned physician and neurologist, was nominated as the first Chairman. Dr. Nasir Kazi later took over as Chairman for two years, before resigning to take on the role of President Elect of RCPC in 2006-07.

Dr. Kazi remained active in API and was honored with the Lifetime Achievement Award in 2015-16. Recently, at the Annual Event of 2024, held at Deenanath Mangeshkar Hospital on December 15, five senior physicians were bestowed with Lifetime Achievement Awards.

One of the awardees was Dr. Amir Khoja, a distinguished chest physician attached to Ruby Hall Clinic. Dr. Khoja has several 'firsts' to his credit, including being the first to introduce flexible bronchoscopy in Pune and the first in India to use endobronchial stents. He has received numerous awards for his contributions to the field of medicine.

Dr. Nasir Kazi had the honor of presenting the award to Dr. Khoja. In his acceptance speech, Dr. Khoja expressed his gratitude to Allah, his parents, and teachers. He made a special mention of Dr. Kazi, acknowledging him as his teacher, guide, and philosopher, and thanking him for his invaluable support in shaping his career.

The event also saw our own esteemed RCPC member, Dr. Subhash Pallod, being honored with the Lifetime Achievement Award. Dr. Pallod is well-known for his remarkable achievements and charitable endeavors, which have greatly benefited RCPC.

We extend our warmest congratulations to both Dr. Khoja and Dr. Pallod, wishing them continued success in their future endeavors, as they continue to make a positive impact on the lives of those in need.

Food For The Soul

Here's a classic Christmas biscuit recipe that's easy to make and delicious:

Ingredients

- 2 1/4 cups all-purpose flour
- 1 tsp baking powder
- 1 tsp baking soda
- 1 tsp salt
- 1 cup unsalted butter, softened
- 3/4 cup white granulated sugar
- 1 egg
- 1 tsp vanilla extract
- Colored sugar or sprinkles for decoration (optional)

Instructions

2. Whisk dry ingredients: In a medium bowl, whisk together the flour, baking powder, baking soda, and salt. Set aside.
3. Cream butter and sugar: In a large bowl, use an electric mixer to cream together the butter and sugar until light and fluffy, about 2-3 minutes.
4. Add egg and vanilla: Beat in the egg and vanilla extract until well combined.
5. Gradually add dry ingredients: Gradually mix in the dry ingredients (flour mixture) until a dough forms.
6. Chill the dough: Wrap the dough in plastic wrap and refrigerate for at least 30 minutes or up to 2 hours.
7. Roll out the dough: On a lightly floured surface, roll out the dough to about 1/4 inch thickness.
8. Cut out shapes: Use your favorite Christmas cookie cutters to cut out shapes. You can also use a glass or a knife to cut out shapes.

10. Bake: Bake for 10-12 minutes, or until the edges are lightly golden.
11. Cool: Allow the cookies to cool on the baking sheet for 5 minutes, then transfer them to a wire rack to cool completely.
12. Decorate (optional): If desired, decorate the cooled cookies with colored sugar or sprinkles.

Tips

- Use a variety of cookie cutters to create different shapes.
