Rotary Club of South Queensferry  
West Lothian, Scotland

R. Gordon R. McInally is president-elect of Rotary International. He was educated at the Royal High School in Edinburgh and at the University of Dundee, where he earned his graduate degree in dental surgery. He operated his own dental practice in Edinburgh until 2016. Gordon was chair of the East of Scotland branch of the British Paedodontic Society and has held various academic positions. He has also served as a presbytery elder, chair of the Queensferry parish congregational board, and commissioner to the general assembly of the Church of Scotland.

Gordon joined Rotary in 1984 at age 26. A member of the Rotary Club of South Queensferry, he has served as president and vice president of Rotary International in Great Britain and Ireland (RIBI). He has also served RI as a director and on several committees, including as an adviser to the 2022 Houston Convention Committee and chair of the Operations Review Committee.

Gordon says he looks forward to working with members to build new Rotary clubs and groups.

### President Rtn. Jitesh Bhatia & First Lady Ann Neha Bhatia.

The whole journey of our Rotary Club of Pune far East started in the year 1995, and I am proud to be the 29<sup>th</sup> President of our Clubs. I am honored and humbled Thank you. With the help and support of my Board members and fellow Club members, I will do my best to meet the challenge.

Our club has been built on a strong leadership foundation, and I am fortunate to have a membership that is fully committed to the Rotary idea of Service Above Self and continues to go the extra mile in building the club, and carrying out the many worthwhile projects that we undertake for the benefit of our community.

1. Promoting peace. Rotary encourages conversations to foster understanding within and across cultures. ...

2. Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

3. Safe drinking-water, sanitation and hygiene (WASH) are crucial to human health and well-being. Safe WASH is not only a prerequisite to health, but contributes to livelihoods, school attendance and dignity and helps to create resilient communities living in healthy environments.

4. Maternal health refers to the health of
