Stephanie A. Urchick
RI President 2024-25

Dear fellow Rotary leaders:

As we begin a new year of service, let us not forget the importance of every one of Rotary's members.

We need your leadership now more than ever if we are to make every club and district an irresistible experience. Rotary has a chance to capture the world's attention and realize possibilities beyond our expectations. But we must build on the work that has come before us if we are to reach our goals, such as defeating polio and unlocking the power of girls and women.

Rotary offers people of action a chance to connect and find belonging, and this fellowship gives us the potential to improve our communities and the world. By following Rotary's Action Plan and helping make sure all members feel a sense of belonging in their club, you have a special opportunity to inspire members to new heights of service.

Our ability to create lasting change begins with our family of Rotary. Together, it is within our power to bring healing in a divided world.

Join me in making Rotary a source of strength for those who need it most, within and beyond our membership. Let this be the year we harness *The Magic of Rotary*, and let Rotary be known as an organization that takes care of its members as well as the people we serve.

It is within your power to help make Rotary a beacon of goodwill and fellowship in every community. Remember that your work can and will change the world with *The Magic of Rotary*.

"Be Good. Do Good"

My dear Fellow Rotarian's,

As the new Rotary year 2024-25 sets in, the magical journey of District 3131 begins with "ROTARY CHATRA CHAYA" project - an initiative that will go a long way in engaging members & enhance the public image of Rotary by providing shelter to poor street vendors. I appreciate all Rotary Clubs for overwhelming response to this unique project.

District 3131 is on the rise & our journey has been progressive & impressive year after another. We have set high benchmark's to our Foundation givings & to the quantum of service projects we undertake in all 7 Focus areas. Participation of clubs in youth activities & structured programs has been fabulous. Our reach out to corporate for taping CSR funds for Rotary projects has been phenomenal. As we move ahead, let us all strive to achieve new milestones for 3131.

RI President Stephanie Urchick has unveiled the theme for RY 24-25 "The Magic of Rotary".

It is the magic when we Rotarian's transform lives by providing education to illiterates, change lives when we provide pure drinking water, develop villages and eradicate dreadful diseases like polio. As a true Rotarian, responsibility lies upon us to continue our service for the deprived communities.

We have thoughtfully launched the Playing 11 initiative under District 3131 thrust area. Activities & projects listed in Playing 11 will create huge impact on communities in every corner of our District . The CHAUKAR & SHATKAR initiatives are well informed in District forums and I expect each and every club participate in this super initiative.

Rotary action plan begins with membership. Adding new members and engaging them in Rotary projects will make our clubs vibrant. Be sure that the member experience matters the most in retaining them.

In the end let me touch upon 4 pillars that will bring the magic of Rotary :- 1) Bringing **Youth** to Rotary 2) Getting **Women** in Rotary 3) Tap **CSR funds** by reaching out to corporate world & 4) Your wholehearted donation to **Rotary Foundation**.

Wish you all the best for the rocking and the most happening RY 2024-25 !!!

TOP REGARDS & TRULY YIR.
